MOST UNIQUE EXPERIENCE

X1

EXPERIENCE ONE

***Experience One* is all about hands-on learning – it's what makes Montana Western unique.**

Instead of juggling multiple classes, you focus on just one course at a time. During each block, you're fully immersed in that subject for about three hours a day before moving on to the next course. By the end of the semester, you'll complete four courses and earn the same credits as you would in a traditional semester schedule – without the stress of multitasking.
