Equipping in Christ…
...Focusing on Excellence

Martin Luther Preschools were recently named #2 Preschool in the Bismarck Tribune’s Best of the Best! We are truly excited about this and would like to thank our supporters for sharing who we are with the Bismarck Mandan Community!

Martin Luther Preschools are part of the Bismarck Mandan Lutheran School Association that provides quality Lutheran education for students in preschool through the 6th grade, celebrating our 25th anniversary this school year!

We are blessed to have a dedicated staff of ND State Certified teachers that focus on the individual needs of each child and help develop these leaders of tomorrow. Our teachers not only excel in helping students reach their highest academic potential, but they also act as great Christian role models. In addition to regular classes in religion, we teach the same subjects as other schools. We have the advantage to teach all of our classes from a Christian perspective.

We enjoy small class size with a low student to teacher ratio in a family-friendly atmosphere.

We value the benefits of the arts in education and provide opportunities for choral and instrumental music. Piano and Suzuki violin lessons are available for students as young as kindergarten and can be given during the school day.
