

HEARING TEST OPEN HOUSE THIS TUESDAY

It's important to take an empowered, proactive approach to health during every stage of your life - let it begin with your hearing health.

RC Hearing Concepts is pleased to announce that we will introduce and demonstrate a major breakthrough in hearing technology called **LIVIO^{AI}**

LIVIO^{AI} hearing aids are designed to:

- Monitors brain and body activity
- Provides heart rate information and detects if you have fallen, sending an alert to selected contacts
- Superior sound quality, listening clarity and more natural hearing

WE WILL BE OFFERING THE FOLLOWING FREE SERVICES

- FREE hearing evaluation
- FREE video otoscopic examination of your ears to check for wax build-up
- FREE demonstration of the **LIVIO^{AI}** hearing aids. See how far technology has come!
- FREE clean and check of your current hearing aids
- 12 Month No Interest Financing Available *

If you or a loved one are struggling with hearing loss call to schedule an appointment today!
