

**In Memory of
Jack Alviti
Our Dad & Husband**

Happy Birthday in Heaven

Not a day goes by

that we don't think of you...

after all this time

you're still with us it's true...

Some how you remain

locked so deep inside us.

Dad, we know you're at

peace & happy in heaven

as you brighten everyone's

eternal life with your

kindness & charm.

Until we meet again...

We love you & miss you.
