of our Princess
JuLianna Rose Barton
6/4/03 - 8/15/13**

*Our Angel,
You are dancing in the sky.
Placing rainbows everywhere.
You are sending little signs
to let us know your're there.
You are watching over us
from heaven up above. You
are happy, you are free
surrounded in light & love.
You are our guardian angel
watching us each day you are
always with us.
You never went away.*
