

*In Loving Memory of James Holsinger*

*To our relatives, friends, and neighbors who sent cards, brought food, attended the Celebration of Life, and offered words of comfort during our time of loss, we sincerely Thank You!*

*A Special thanks to Bob Keesler and the American Legion for their honors ceremony and accommodations at their club. Also, a special thank you to Mike Cahill and his staff for their support and guidance.*

*Your kindness has been a great comfort to all of us in our time of sorrow.*
