Thank You America

I grew up in Ireland watching my father work hard and take pride in doing things the right way. He showed me early on that your word matters, that shortcuts aren't worth it, and that good work speaks for itself. I came to America in the 1980s with \$80 and my father's work ethic. I'm thankful for the opportunities this country gave me, and proud to now call myself a "Yank."
