

SAY GOODBYE to LOOSE DENTURES
or MISSING TEETH

BENEFITS OF OUR IMPLANTS

- **SAME-DAY SOLUTION** Walk out with your new smile!
- **AFFORDABLE** A cost-effective alternative to traditional implants
- **FASTER RECOVERY** Require less healing time

Over 2,000 successful implant patients in our Williamsville office. Implants are ideal for patients who have experienced bone loss.

**Enjoy your favorite foods
again with dental implants**

Precision design ensures comfort and requires less healing time, so fewer follow-up visits to the dentist. Our minimally invasive procedure is an effective way to replace missing teeth or stabilize dentures.

Engineered in Lancaster, NY, these implants cost significantly less than other solutions.
