Federally insured by NCUA

1. Annual Percentage Rate (APR). All rates quoted are the lowest available rates on a 60-month loan for a 2023 or newer vehicle. Actual interest rate will be based on overall creditworthiness. Other rates and terms may apply. A representative monthly payment for a 60-month vehicle loan at 4.74% APR is \$18.75 per \$1,000 borrowed. Rates accurate as of 02/03/26 and subject to change without notice. Broadview membership is required.

2. Some restrictions apply. Interest on 30-, 60-, or 90-day no payment loans will begin to accrue immediately upon loan disbursement and will be amortized over the monthly loan payments.
