

## Please Support Us By Donating Today

### A Heartfelt Appeal to Western New York

Due to recent and significant reductions in government funding for nonprofit organizations, our ability to sustain critical life saving programing is now at serious risk. New York State has not increased our local funding in 7 years. Without immediate and substantial support, we cannot continue to provide the essential services our community depends on. **We urgently need your help**—now more than ever—to bridge this gap and ensure these programs survive.

Save the Michaels of the World, Inc. is dedicated to providing empathy, education, empowerment, and hope to individuals and families impacted by substance use disorders. Every person who walks through our doors receives **life-saving services completely free of charge**.

Over the past 3 years Save the Michaels has placed 5,634 people into treatment and provided medical and non medical transportation for 13,897 individuals.

This holiday season—and throughout the year—we ask you to consider making Save the Michaels of the World part of your charitable giving. Remember 100% of your contribution helps us keep families together, save lives, and bring hope where it's needed most.

Together, we can make a difference.

**Please donate today and help us continue this vital mission.**

All services offered to individuals who pass through our doors are  
**FREE OF CHARGE.**

**ADDICTION IS COMPLICATED, GETTING HELP IS NOT.**
