# READERS PUT THEIR BEST VOTE FORWARD TO HELP US HONOR THE BEST

Our community has so much to offer. Great people, magnificent natural resources and a richly diverse culture – and that’s only the beginning.

We also have a thriving small business scene, world-class destinations and

deep expertise in a number of fields. Our neighbors have built wonderful places to eat, play and stay. They put their skills to work in everything from wedding planning to home renovations. They guide us to wise

decisions, from medical to financial.

Today, we’re thrilled to honor these individuals and their organizations with The Buffalo News’ fourth annual Best of 716. We launched the inaugural initiative in the summer of 2021 and were blown away by the response.

This year, there were more than 380,500 votes to help us determine winners from more than 69,700 nominations – an increase of 16%. Thanks to you, our loyal readers, for casting your ballot.

Congratulations to all the winners we recognize today. You’re the best!

## BECOMING THE BEST OF 716

### THE WESTERN NEW YORK COMMUNITY HAS SPOKEN

More than 69,700 nominations were submitted to recognize the region’s most beloved businesses and organizations, in categories ranging from restaurants to shopping to services.

Once those nominations were tallied and narrowed down to the top five in each category, the voting began. More than 380,500 votes were cast from Buffalo and beyond to determine the

winning business in each of the 194 categories.

“Another successful Best Of 716 campaign it has been,” said Lisa Cislo, Best of 716 project coordinator. Voting numbers had an impressive 16% increase from 2023 and engagement numbers continued to be strong.

See all the winners and favorites here – and continue to support local businesses!

Get custom-designed structures that complement and beautify your home while giving you private and functional outdoor recreational spaces. Choose from a wide range of colors and styles.

#### SUPERIOR MATERIALS

The Vinyl Outlet's fences and decks are five times stronger than wood, flexible, water resistant, easy to clean, and will not fade, stain, splinter, peel, rot, mildew, or need painting. They transform your outdoor spaces into a maintenance-free refuge.

#### LASTING FOR A LIFETIME, GUARANTEED.

We employ highly trained and skilled crews, and stand behind their work. Moreover, every fence, desk, porch, and rail we install features an extensive lifetime warranty. Many of our competitors cannot offer a long-term warranty because wood construction can decay in unpredictable ways.
