**ELEVENTH APPLICATION FOR INTERIM  
COMPENSATION AND REIMBURSEMENT OF EXPENSES OF  
BOND, SCHOENECK & KING, PLLC, AS ATTORNEYS FOR THE DIOCESE**

TO: THE HONORABLE CARL L. BUCKI  
UNITED STATES BANKRUPTCY JUDGE:

Bond, Schoeneck & King, PLLC (“Bond”) hereby submits its eleventh interim application (this “Application”) for compensation for services rendered and reimbursement of expenses incurred on behalf of The Diocese of Buffalo, N.Y. (the “Diocese”) from February 1, 2025 through July 31, 2025 (the “Eleventh Interim Compensation Period”), and respectfully states as follows:

1. Bond is a professional limited liability company engaged in the practice of law with offices in every major city in New York, as well as offices in Boston, Massachusetts, Overland Park, Kansas, Newark, New Jersey, and Naples, Florida. The undersigned is a member of Bond and is an attorney duly licensed to practice in the Courts of the State of New York and the United States District Courts and Bankruptcy Courts for the Eastern, Southern, Northern and Western Districts of New York.

2. Bond submits this Application for allowance of interim compensation in the amount of \$791,189.61 and for reimbursement of actual and necessary costs and expenses in the amount of \$20,072.83 incurred by Bond in the course of its representation of the Diocese in this chapter 11 case during the Eleventh Interim Compensation Period.

## **GENERAL BACKGROUND**

3. On February 28, 2020 (the “Petition Date”), the Diocese filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (11 U.S.C. § 101 *et seq.*, the “Bankruptcy Code”) with the United States Bankruptcy Court for the Western District of New York (the “Court”), commencing the Diocese’s chapter 11 case (this “Chapter 11 Case”). The Diocese continues to operate its business and manage its properties as a debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. On March 12, 2020, the Office of the United States Trustee (the “UST”) filed a notice of the appointment of an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code [Docket No. 92] (the “Committee”). No other official committees have been appointed or designated and, as of the date of this Application, no trustee or examiner has been appointed in this Chapter 11 Case.

5. Information regarding the Diocese’s history, business operations, operational structure, facts supporting this Motion and the events leading up to the Chapter 11 Case can be found in the *Affidavit of Rev. Peter J. Karalus Regarding Structure and Pre-Filing History of the Diocese of Buffalo and in Support of the Chapter 11 Petition and First Day Pleadings* [Docket No. 8], and the *Affidavit of Charles Mendolera Regarding the Diocese’s Assets and Operations and in Support of the Chapter 11 Petition and First Day Pleadings* [Docket No. 7], each of which was filed on the Petition Date and is incorporated herein by reference.

6. On June 15, 2020, this Court entered an Order [Docket No. 397] appointing Bond as attorneys for the Diocese, effective *nunc pro tunc* to the Petition Date. As disclosed in Bond’s retention application [Docket No. 183], Bond received a pre-petition retainer (the “Retainer”) in

the amount of \$232,082.90 to be applied against fees earned and expenses incurred in representing the Diocese in this Chapter 11 Case.

7. On June 4, 2020, this Court entered its *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Professionals and Members of Official Committees* [Docket No. 362] (the “Interim Compensation Order”).

8. Pursuant to the Interim Compensation Order, Bond previously filed ten interim fee applications (collectively, the “Previous Interim Fee Applications”) [Docket Nos. 635, 1038, 1330, 1673, 2000, 2304, 2575, 2898, 3318 and 3816]. After notice and a hearing on each of the Previous Interim Fee Applications, the Court entered ten interim orders granting the Previous Interim Fee Applications (collectively, the “Previous Interim Fee Awards”) [Docket Nos. 755, 1138, 1420, 1849, 2137, 2414, 2700, 2999, 3458 and 4067]. Each of the Previous Interim Fee Awards were satisfied from the Debtor’s estate. In addition, as part of the Previous Interim Fee Awards, the Court required ten percent (10%) holdbacks in the amounts of \$83,105.50, \$82,600.90 and \$61,215.50, respectively, for a total of \$226,921.90. The chart below provides additional detail on the Previous Interim Fee Applications and Previous Interim Fee Awards:

<sup>2</sup> After filing its Monthly Fee Statements, Bond voluntarily wrote off an additional \$5.80 in expenses, reducing the total amount of expenses requested to \$20,072.83.

11. During the Eleventh Interim Compensation Period, Bond provided counsel to the Diocese on a wide range of business, restructuring and other matters related to this Chapter 11 Case, including those matters set forth below.

**B-110 Case Administration**  
**64.70 Hours**

12. Bond professionals attended routine conferences regarding the Diocese's case status and strategy to support a successful plan of reorganization and ensure alignment of its strategic objectives. To this end, Bond attorneys continued to monitor, analyze, and assess implications of legislation and court rulings that may be relevant to the Diocese. Where necessary, Bond attorneys evaluated tactical procedures necessary to successfully execute and implement its legal strategy.

13. Bond continued to maintain and update the case charter document, which is used to track all tasks impacting procedural and substantive requirements in connection with the case. The charter document is a critical tool to ensure that all deliverables impacting the Diocese's case are appropriately assigned to responsible persons, are periodically reported on to communicate status updates and progress completion, are resolved timely, and are documented upon resolution.

14. Bond attorneys counseled the Diocese regarding its ongoing operations as a debtor-in-possession and related requirements pursuant to the Bankruptcy Code. Bond professionals also assisted the Diocese in preparation, review, and filing of monthly operating reports. During the Eleventh Interim Compensation Period, Bond attorneys reviewed, prepared, revised, and filed operating reports for the months of November 2024 [Docket No. 3649], December 2024 [Docket No. 3792], January 2025 [Docket No. 3851], February 2025 [Docket No. 3889], March 2025 [4003]; and April 2025 [Docket No. 4056].

**B-120 Asset Analysis and Recovery**  
**503.80 Hours**

15. During the Eleventh Interim Compensation Period, Bond attorneys continued preparing for and participating in multiple mediation sessions, conferring and collaborating with parties, where necessary, to build consensus through a settlement that is acceptable to all parties involved. Bond attorneys timely and regularly apprised the Diocese of progress, changes and developments following each mediation session and discussed the impact of the mediation's progression on overall strategy and activities with the Diocese and internally.

16. As a result of persistent good faith negotiations and the sustained efforts of Bond attorneys, Diocesan special counsel, and other interested parties to achieve a resolution in this case, on April 22, 2025, the Diocese, Parishes, and several additional non-Diocesan entities (the "Catholic Family Settlement"), announced that a \$150 million settlement in principle had been reached with the Committee to settle all liability claims concerning the Chapter 11 case.

17. Leading up to the April 22, 2025 announcement, Bond attorneys participated on numerous conference calls with counsel for the Committee to find common ground on remaining open issues while continuing to work and confer with insurance carriers' counsel to advance progress of the negotiations in this case. In this regard, Bond prepared and responded to multiple correspondences from the parties and the mediators pertaining to the completion and communication of the Catholic Family Settlement.

18. Bond also continued to correspond with the insurers to address inquiries and requests for discovery. Bond attorneys spent considerable time reviewing documents and files in detail to ensure that confidential information was appropriately redacted and proper measures were in place to ensure the protection of privileged information.

19. On February 14, 2025, Bond attorneys, after Court approval, closed the sale of the real property, located at 711 Knox Road, East Aurora, New York (the “Seminary Property”) to World Mission, for a purchase price of \$4,200,000.00 (the “Sale Proceeds”). Pursuant to the Sale Order which specifically provided that the Sale Proceeds be held by the Diocese and not be disbursed except as directed by further order of this Court, the Sale Proceeds were deposited in an account and are being held in accordance with the Court’s directive. Since this time, the Diocese has expended considerable time conducting research and analysis, filing various motions, and appearing before the Court at various hearings seeking authority to access the Sale Proceeds of the Seminary Property to use same to (in part) fund the settlement pursuant to its chapter 11 plan of reorganization.

20. On June 6, 2025, the Court entered a Decision and Order [Docket No. 3929] finding that a majority percentage (64.68 percent) of the Seminary Property sale proceeds on deposit and held by the Diocese remains restricted and may not be used to fund a settlement within a confirmed plan of reorganization. On June 18, 2025, the Diocese and the Committee filed separate Notices of Appeal from the Court’s Decision and Order [Docket Nos. 3947 and 3949, respectively]. The appeal will be heard by the District Court and is currently pending.

21. During the Eleventh Interim Compensation Period, Bond attorneys assisted the Diocese with legal analysis of the terms of a bequest from the estate of Francis McGuire, and the rights bestowed thereunder, concerning a question of the donor’s intent.

22. Bond conferred internally and with relevant diocesan officials to assess funding sources in support of the Catholic Family Settlement. Bond conducted research to ascertain both restricted and unrestricted assets available to fund the Catholic Family Settlement. Bond attorneys further analyzed statutory authorities and case law with regard to authorization of contributions to

a settlement fund. The analysis based on the research performed was used to guide the Diocese's strategic plan for settlement funding.

23. Finally, during the Eleventh Interim Compensation Period, Bond attorneys continued to monitor pleadings on the court docket and to advise the Diocese regarding related matters.

**B-130 Asset Disposition**  
**552.40 Hours**

24. Following the sale of the Seminary Property, which sale was consummated with the successful bidder at the auction during the Tenth Interim Compensation Period, Bond professionals worked to complete the sale closing, including corresponding with counsel for the purchaser to finalize the closing statement, addressing requests for diligence, and communicating required procedures to ensure minimal disruption at the closing. Bond attorneys further compiled documents for the sale of the Seminary Property, attended the closing of same, and coordinated the payments in connection with the sale transaction.

25. In addition, during the Eleventh Interim Compensation Period, Bond professionals worked diligently to prepare the real property located at 1219 Elmwood Avenue, Buffalo, New York, also known as, The Newman Center ("1219 Elmwood") for closing. Bond professionals participated in strategic planning meetings with the Diocese for the sale of 1219 Elmwood, drafted correspondence to potential bidders regarding requirements to become a qualified bidder, addressed inquiries and prepared responses to potential qualified bidders, analyzed materials to confirm proof of eligibility of qualified bidders, and drafted access, indemnity and insurance agreements for 1219 Elmwood. Bond attorneys also conducted research and held discussions internally, and as needed, with affiliate counsel to assess the impact of certain restrictive covenants

concerning the sale transaction. Bond attorneys further corresponded with the Diocese and finalized the closing of the sale.

26. Moreover, Bond professionals worked to prepare the real property, located at 0 East River Road, Grand Island, New York (“0 East River”) for closing. Bond professionals prepared the section 363 sale pleadings, including the motion for sale, the notice of motion, the proposed order approving the sale, and the bidding procedures for sale. In addition, Bond attorneys drafted correspondence to potential bidders regarding requirements to become a qualified bidder, addressed inquiries, prepared responses to potential qualified bidders, and analyzed materials to confirm proof of eligibility of qualified bidders for 0 East River. On May 13, 2025, the Court entered an order approving the sale of 0 East River. [Docket No. 3860].

27. Further, Bond professionals worked to prepare the real property, located at 21 Bristol Drive, Buffalo, New York (“21 Bristol Drive”) for closing. Bond professionals prepared the section 363 sale pleadings, including the motion for sale, the notice of motion, the proposed order approving the sale, the bidding procedures for sale, the proposed order approving the bidding procedures, and the notice of auction. As a result of these efforts, a qualified competing bid was received from a purchaser on July 17, 2025. Thereafter, the stalking horse bidder withdrew its initial bid. As no other qualified bids were received and there remained only the purchaser’s competing bid, the auction was cancelled and the hearing to approve the sale transaction was held after the Eleventh Interim Compensation Period.

28. Furthermore, Bond professionals worked to prepare five (5) parcels of real property, located at 785 – 821 Main Street, Buffalo, New York also known as, the Catholic Center (the “Catholic Center”) for sale and closing. During the course of negotiations with the stalking horse bidder, the Diocese corresponded with Bond regarding a possible sale/leaseback structure.

Bond attorneys drafted the purchase and sale agreement as well as a separate lease agreement. Bond attorneys continued to negotiate terms of these agreements with the stalking horse bidder. Where necessary, and to achieve maximization of value for the Diocese's estate, Bond proposed modifications to agreement terms proposed by the stalking horse bidder. In addition, Bond attorneys reviewed and monitored status developments with respect to the sale and lease agreements.

29. In response to questions raised by the Court regarding whether any donor-restriction obligations attached to the proceeds from the sale of the Seminary Property, Bond researched and discussed certain legal and canonical issues regarding the disposition of the property. Bond attorneys had numerous communications with diocesan officials. Based on Bond's extensive analysis of the history of conveyances respecting the Seminary Property, Bond evaluated the merits of the legal issues and expended significant time preparing submissions to the Court in support of the unrestricted status of proceeds received from the sale of the Seminary Property. Bond attorneys also appeared at several hearings concerning these issues.

30. The Diocese has continued to identify nonessential or underused assets which can be sold, and the sale proceeds used to support funding the settlement. In this regard, the Diocese considered the need for an efficient means of disposing of relatively low value assets. As a result, Bond drafted an omnibus motion establishing procedures for the sale of de minimis assets. The omnibus motion was filed with the Court after the Eleventh Interim Compensation Period.

**B-140 Relief from Stay/Adequate Protection Proceedings**  
**21.10 Hours**

31. In the Eleventh Interim Compensation Period, two non-party CVA claimants (the "Claimants") filed a motion seeking modification of the automatic stay to permit limited document discovery against two diocesan catholic schools, located in South Buffalo, in connection with

causes of action held by the Claimants, in New York State Supreme Court, against the City of Buffalo. The Claimants sought to conduct a brief and limited discovery against the Diocese related to the employment history of alleged perpetrator of abuse for the purpose of using information obtained in the lawsuit against the City of Buffalo.

32. Bond attended a hearing regarding the motion to lift stay. To facilitate the Diocese's participation in the limited discovery against the two diocesan catholic schools, Bond attorneys drafted the proposed order modifying the automatic stay for the limited purpose of providing information pertaining to the named perpetrator's employment history with the Diocese and the two affiliated schools named in the motion. The Court approved and entered the Order on June 18, 2025 [Docket No. 3946].

33. Bond also reviewed the motion filed by the insurer, Catholic Mutual Relief Society of America, also known as Catholic Mutual Group, seeking to reinstate the automatic stay that had been lifted to permit seventeen alleged CVA abuse claimants to pursue their causes of action in State Court. Bond attorneys also attended the hearing regarding the motion.

**B-150 Meetings of and Communications with Creditors**  
**1.50 Hours**

34. During the Eleventh Interim Compensation Period, Bond attorneys participated in regular discussions with counsel for the Committee regarding issues arising in this chapter 11 case. Bond had discussions regarding, among other matters, general case status updates, claims objections, mediation issues, litigation issues, and discovery issues.

**B-160 Fee/Employment Applications**  
**168.80 Hours**

35. During the Eleventh Interim Compensation Period, Bond assembled, filed, and served the following Monthly Fee Statements in accordance with the terms of the Interim Compensation Order previously approved by the Court: (a) September 2024, filed on February 11,

2025 [Docket No. 3625]; (b) October 2024, filed on March 4, 2025 [Docket No. 3706]; (c) November 2024, filed on March 4, 2025 [Docket No. 3707]; (d) December 2024, filed on April 3, 2025 [Docket No. 3773]; (e) January 2025, filed on April 4, 2025 [Docket No. 3777]; and (f) February 2025, filed on July 30, 2025 [Docket No. 4061]. Bond prepared and served its Monthly Fee Statements in accordance with the terms of the Interim Compensation Order.

36. Bond attorneys proactively provided the UST with detailed billing information for each of the foregoing Monthly Fee Statements and, where necessary, communicated with the UST to timely address any billing concerns, queries, or follow ups.

37. In addition to preparing and filing its own fee application, Bond also assisted the Diocese's other professionals with the preparation and submission of their respective fee-related filings, coordinated and facilitated various follow up activities, drafted and filed certificates of no objection, and prepared orders in accordance with the Court's directives.

---

<sup>3</sup> For billing purposes, this rate reduction has been implemented by reducing the applicable time entry by one-half. For instance, if a Bond professional, whose hourly rate is \$360/hour, spends 2.0 hours traveling, that time entry will show on Bond's invoices as 1.0 hour of travel time, billed at \$360/hour.

In response, several claimants filed document production requests, subpoenas, and deposition notices. Bond spent considerable time reviewing documents received in response to the Diocese's discovery demands and analyzing and responding to document production requests, subpoenas, and deposition notices from claimants.

47. Bond attorneys spent considerable time reviewing discovery correspondence received from CVA claimants' counsel in connection with the pending state court CVA litigation. In addition, Bond participated on conference calls with insurers regarding claims review and coverage issues.

**B-320 Plan and Disclosure Statement**  
**143.00 Hours**

48. During the Eleventh Interim Compensation Period, and in light of the Supreme Court decision in *Harrington v. Purdue Pharma L.P.*, 144 S. Ct. 2071 (2024) (the “Purdue Decision”), Bond attorneys conducted extensive research focusing on the impact of the Purdue Decision.

49. Bond professionals outlined and tracked issues related to the chapter 11 plan formulation and conferred internally, and with diocesan officials to develop specific action plans and implementation steps to address each identified issue. Where needed, Bond conferred with affiliate counsel regarding chapter 11 plan issues. Bond further reviewed the Catholic Family Settlement in preparation for drafting the disclosure statement and plan.

50. In preparation for filing the Disclosure Statement in support of the Joint Chapter 11 Plan of Reorganization, Bond professionals spent a considerable amount of time drafting terms of the proposed plan and disclosure statement. Bond also worked with the Committee and incorporated numerous revisions to the plan and disclosure statement that were suggested by the Committee.

**LOCAL RULE 2016-1**

51. Local Rule 2016-1 provides that a moving party seeking interim compensation must include sufficient grounds for the applicant to be paid immediately instead of until the conclusion of the Chapter 11 Case. Bond has devoted a significant amount of time and resources to representing the Diocese in this Chapter 11 Case. All other administrative expenses of the Diocese are being paid in full as they accrue. Additionally, this Court has previously recognized the utility of awarding both monthly and interim compensation to the various professionals participating in the case. *See Order Establishing Procedures for Interim Compensation and Reimbursement of*

*Expenses for Professionals and Members of Official Committees* [Docket No. 362]. Therefore, Bond respectfully submits that Local Rule 2016-1 is satisfied and payment of the interim compensation award is appropriate at this time.

### **DISCUSSION**

52. The foregoing summary of Bond's services is not intended to be an exhaustive list of each and every activity performed by Bond for the benefit of the Diocese during the Eleventh Interim Compensation Period. Instead, a complete accounting of all services rendered by Bond on behalf of the Diocese during the Eleventh Interim Compensation Period is contained in the specific time records attached hereto as *Exhibits A* through *F*. All of the services for which compensation is requested by Bond were performed for, or on behalf of, the Diocese, and not on behalf of any creditor, examiner, trustee, or any other entity. In addition, Bond has not entered into any agreements to fix fees or to share compensation as prohibited by 18 U.S.C. § 155 and 11 U.S.C. § 504.

53. Wherever possible, Bond has avoided any duplication of services by its professionals and paraprofessionals. When more than one professional participated in an activity such as a conference or hearing, such participation was necessary due to the importance or complexity of the legal issues involved.

54. During the Eleventh Interim Compensation Period, Bond billed to the Diocese a total of 1977.90 hours rendering professional and paraprofessional services to the Diocese. The attorney blended hourly rate for all attorney services reflected in this Application was \$419.61. The blended hourly rate for all professional services reflected in this Application was \$400.01.

55. The following is a list of the professionals and paraprofessionals who performed services on behalf of the Diocese in this Chapter 11 Case during the Eleventh Interim Compensation Period which shows each individual's normal hourly billing rate and the hours expended in the provision of services to the Diocese and the fees sought in connection therewith as part of this Application:

The professionals primarily responsible for representing the Diocese in connection with this Chapter 11 Case are Stephen Donato, Charles Sullivan, and Grayson Walter. Each of Messrs. Donato, Sullivan, and Walter represent clients in all aspects of commercial and bankruptcy matters, and they have practiced before United States Bankruptcy Courts in multiple jurisdictions for approximately forty-three (43), thirty-four (34), and twenty (20) years, respectively.

56. Prior to filing this Application, Bond has provided to the Diocese Monthly Fee Statements for the periods of February 1, 2025 through February 28, 2025; March 1, 2025 through March 31, 2025; April 1, 2025 through April 30, 2025; May 1, 2025 through May 31, 2025; June 1, 2025 through June 30, 2025; and July 1, 2025 through July 31, 2025. A copy of this Application has also been provided to the Diocese.

57. Bond has, in the exercise of its billing discretion, voluntarily written off services, which services are not reflected in the time records attached hereto. Moreover, in cases involving multiple ongoing matters such as this Chapter 11 Case, it is impossible to record the details of each letter, telephone call, conference time or research. Many such hours have been performed to date, but Bond is not requesting compensation for such services.

58. Bond, in the ordinary course of its business, maintains computerized time records. Attached to this Application as *Exhibits A, B, C, D, E* and *F* are detailed time records of services performed on behalf of the Diocese, separated by task codes, for the periods from (a) February 1, 2025 through February 28, 2025; (b) March 1, 2025 through March 31, 2025; (c) April 1, 2025 through April 30, 2025; (d) May 1, 2025 through May 31, 2025; (e) June 1, 2025 through June 30,

2025; and (f) July 1, 2025 through July 31, 2025, as submitted with Bond's Monthly Fee Statements for the same time periods.

59. No objections to any of Bond's Monthly Fee Statements have been filed in accordance with the procedures established by the Interim Compensation Order.

60. Bond respectfully submits that its fees are more than reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy and non-bankruptcy engagements.

61. There is no agreement or understanding among the Diocese, Bond or any other person or firm for sharing of compensation to be received for services rendered in this Chapter 11 Case.

62. The services that Bond has rendered on behalf of the Diocese have been necessary and beneficial to the Diocese's estate.

63. The Court may award a professional retained by the bankruptcy estate under section 327(a) "reasonable compensation for actual necessary services" rendered by the professional, plus "reimbursement for actual, necessary expenses" under section 330 of the Bankruptcy Code. *See* 11 U.S.C. § 330(a)(1).

64. Courts generally consider twelve factors in calculating whether the fees requested by professionals in bankruptcy case are reasonable and necessary:

- (1) the time and labor required;
- (2) the novelty and difficulty of issues;
- (3) the skill necessary to perform the services properly;
- (4) the preclusion of other employment;
- (5) the customary fee;

- (6) whether the fee is fixed or contingent;
- (7) time limitations imposed by the client or circumstances;
- (8) the amounts involved and the results obtained;
- (9) the experience, reputation and ability of the professional;
- (10) the undesirability of the case;
- (11) the nature and length of the professional relationship to the client; and
- (12) awards in similar cases.

*See Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974). Moreover, In awarding attorneys' fees, courts also consider whether the services rendered were reasonably likely to benefit the debtor's estate at the time they were performed. *See, In re Ames Dep't Stores, Inc.*, 76 F.3d 66, 71 (2d Cir. 1996), *rev'd on other grounds*, *Lamie v. U.S. Trustee*, 540 U.S. 526 (2004). Thus, as one court explained, the Court should focus on what a reasonable lawyer would have done at the time and not invoke a hindsight analysis:

[I]t is important for a court to maintain "a sense of overall proportion," and not "become enmeshed in meticulous analysis of every detailed facet of the professional representation." It is easy to speculate in retrospect that the work could have been done in less time or with fewer attorneys or with an associate rather than a partner. On the other hand, it is also possible that [the debtor] would not have enjoyed the success it did had its counsel managed matters differently.

*Boston & Maine Corp. v. Moore (In re Boston & Maine Corp.)*, 776 F.2d 2, 10 (1st Cir. 1985) (citations omitted).

65. Bond respectfully suggests that the fair and reasonable value of the services reflected in this Application is at least \$791,189.61.

66. Pursuant to the Interim Compensation Order, which authorizes Bond to be paid 80% of its undisputed fees, and 100% of its undisputed expenses on a monthly basis, Bond has to date received a total of \$388,828.52 in fees and \$17,202.90 in expenses incurred during the

Eleventh Interim Compensation Period. Therefore, as of the date of this Application, fees and expenses received by Bond during the Eleventh Interim Compensation Period totaling \$406,031.42 were paid by the Diocese.

67. Bond respectfully requests that this Court enter an Order approving payment to Bond of fees in the amount of \$791,189.61 and directing the Diocese to pay to Bond the unpaid portion of such fees and expenses which have not previously been paid pursuant to the Interim Compensation Order.

68. Pursuant to the terms of the Final Order (i) Authorizing the Continued Maintenance of the Debtor's Self-Insurance Programs; and (ii) Authorizing the Payment of Prepetition Obligations in Respect Thereof [Docket No. 253] (the "SIP Order") entered by the Court on April 21, 2020, the Diocese is authorized to pay professionals for work completed in connection with the Self-Insurance Program ("SIP") and these payments are made directly from the SIP on behalf of the Diocese. For purposes of disclosure to the Court and other parties in interest during the Eleventh Interim Compensation Period, Bond has incurred fees and expenses on behalf of the Diocese in the amount of \$51,369.49 in connection with the SIP. Bond's fees and expenses related to the SIP will be paid in accordance with the SIP Order. Therefore, Bond will seek payment of these fees and expenses following entry of an order approving the instant Application.

### **DISBURSEMENTS**

69. Bond has incurred reasonable and necessary out-of-pocket disbursements in connection with its representation of the Diocese during the Eleventh Interim Compensation Period. Bond has expended a total of \$20,072.83 in actual disbursements on behalf of the Diocese during that period, as set forth in *Exhibit G* attached hereto. The requested disbursements are of a type customarily charged to and paid by Bond's bankruptcy and non-bankruptcy clients.

**A. Photocopy Expenses**

70. During the Eleventh Interim Compensation Period, Bond incurred \$472.45 in disbursements for photocopies on behalf of the Diocese. The Diocese was charged \$.15 per photocopy for all photocopies made by Bond. Photocopies made outside Bond's office were charged to the Diocese at the same rate charged to Bond. Bond hereby certifies that this entire amount of \$472.45 was incurred on behalf of the Diocese in connection with furnishing copies of documents at the request of parties in interest or as required by the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Western District of New York or to comply with orders of the Bankruptcy Court.

71. Accordingly, Bond respectfully requests reimbursement for photocopying expenses incurred during the Eleventh Interim Compensation Period in the amount of \$472.45.

**B. Travel Expenses**

72. Bond also incurred out-of-pocket expenses for travel in the Diocese's case during the Eleventh Interim Compensation Period in the sum of \$9,712.46. The travel expenses include, mileage, tolls and hotel charges relating to travel to meet with the Diocese, attend hearings, and attend mediation sessions. Bond's travel expenses are separately itemized on *Exhibit H* annexed hereto and made a part hereof.

73. Accordingly, Bond respectfully requests reimbursement for its travel expenses in the total amount of \$9,712.46.

**C. Additional Expenses**

74. Bond incurred additional expenses during the Eleventh Interim Compensation Period for data hosting and storage (\$2,430.00), courier service (\$91.28), stenographic/deposition transcripts (\$76.00), business meals (\$6,493.29), County Clerk charges (\$35.00), court costs

(\$313.00), and filing fees (\$449.35). These expenses in the total amount of \$9,887.92 were incurred in connection with providing necessary services for the benefit of the Diocese.

75. Accordingly, Bond respectfully requests reimbursement of these additional expenses in the total amount of \$9,887.92.

76. Based upon the foregoing, Bond requests entry of an order allowing reimbursement of Bond's disbursements in the total sum of \$20,072.83.

### **NOTICE**

77. Pursuant to the Interim Compensation Order, this Application will be served only upon the Notice Parties (as defined in the Interim Compensation Order). Notice of the hearing on this Application will be given to (i) the Office of the United States Trustee for the Western District of New York, (ii) counsel for the Committee, (iii) all required governmental agencies, (iv) all parties who have formally appeared in this Chapter 11 Case and requested notice in accordance with Rule 2002 of the Federal Rules of Bankruptcy Procedure, and (v) all of the Diocese's known creditors. In light of the nature of the relief requested herein, the Diocese respectfully submits that further notice of this Application is neither required nor necessary.

### **CONCLUSION**

78. Based upon the foregoing, Bond respectfully requests that the Court approve interim compensation of Bond in the amount of \$791,189.61 for services rendered to the Diocese during the Eleventh Interim Compensation Period, plus reimbursement of expenses in the amount of \$20,072.83, for a total award of \$811,262.44.

**WHEREFORE,** Bond, Schoeneck & King, PLLC respectfully prays for the entry of an

Order:

- (a) approving, awarding, and allowing on an interim basis, fees to Bond for services rendered to the Diocese during the Eleventh Interim Compensation Period, in the sum of \$791,189.61, together with actual and necessary disbursements in the amount of \$20,072.83;
- (b) directing that Bond be paid, from the Diocese's estate, all such fees and expenses which have not previously been paid pursuant to the Interim Compensation Order; and
- (c) granting such other and further relief as this Court deems just and proper.
