Seth Baxter, 16, showed a couple of cool examples of bike tricks he has mastered recently, including 'The Elastic Man' and a 'Turbine,' where he 'rides' his BMX bike on the front tire, while swinging the rear wheel wildly. Baxter is a pretty talented rider and trickster, so he did not feel as much need to wear a helmet, but all other kids at the park were wearing one. The Siren Skatepark is open for kids and adults of all ages, and is made to allow for jumping, tricks and riders of all skill levels.
