WELCOMES JESSE BEVAN

I was born and raised on the coast. I have spent most of my life here enjoying all the beauty and recreation Mendocino and Fort Bragg have to offer. I graduated from Mendocino Highschool in 2006. I love to bake with my family in my free time. I recently got into real estate because of my mother in law. She also works in real estate and has been a fantastic mentor. I am honored to work with this great team of agents, they have been extremely supportive. I am very excited to help real estate buyers and sellers accomplish new ownership here on the coast.

Thank you for your time!!
