

A Message of Hope for Humanity

In the midst of a global pandemic, economic chaos and the increasing effects of climate change, we have the opportunity to come together and change the system.

People everywhere are taking action and calling for fundamental change. Fortunately, we are not alone in our efforts:

A group of enlightened teachers who have long helped and inspired humanity from behind the scenes are entering the everyday world to guide us through our present global crises, and into a future of justice, peace and brotherhood/sisterhood.

These wise teachers, known as the Masters of Wisdom, are here with the most senior member of the group — Maitreya, the World Teacher.

They will show us that sharing the Earth's resources equitably among the world's people is the key to creating justice and peace for all, while maintaining the planet's health. Sharing will create trust. When there is trust among nations, there will be no need for war.
