Unmet Transportation Needs for Seniors & People with Disabilities and/or Limited Means
Share your ideas about the unmet transportation needs of seniors and people with disabilities and/or limited means with decision-makers at a public hearing. A draft of the 2021 Unmet Paratransit and Transit Needs list can be viewed at www.sccrtc.org.

Measure D 5-Year Plan for Community Bridges-Lift Line
Lift Line plans to spend voter-approved Measure D revenues over the next five years on paratransit service for seniors and people living with disabilities.

The draft Unmet Transit Needs list and proposed Lift Line five-year plan and staff reports will be available on the RTC website at least 72 hours before the hearing at: sccrtc.org/meetings/commission/agendas/.

For board consideration, please provide comments no later than noon on May 5 to: info@sccrtc.org or provide comments in person at the hearing. Broad community participation is encouraged to ensure an informed decision-making process.
