

READY SET *Ford*™

Taylor Ford is Proud to Recognize **Meagan Makuch Dreher** as a Valued Member of Our Award-Winning Sales Staff

Born and raised in the Woodhaven area, I'm proud to call Downriver my lifelong home. Over the past two decades, I've had the privilege of connecting with our community while working in local bars—building relationships rooted in trust, reliability, and genuine service.

Now, I'm excited to bring that same level of dedication and personal attention to my role in automotive sales. Coming from a family of loyal Ford drivers, I understand the importance of finding the right vehicle for every stage of life—whether it's your first car, a reliable SUV for a growing family, or a tough, hard-working truck.

I'm here to help make your car-buying experience smooth, stress-free, and tailored to your needs. It's not just about the sale—it's about building lasting relationships, just like I always have.

See Meagan for an additional \$1000 on your trade-in!
