

Open Letter to All Oakland County Property Owners

Property tax foreclosure has a devastating impact on Oakland County families, employees, neighborhoods, and the local economy. The Oakland County Treasurer's Office works all year to help our residents and business owners retain their property.

If you are an Oakland County property owner and are unable to pay your delinquent property taxes due to a financial hardship, employment or business loss, health concerns or other challenges, we're here to help!

If your property or the property of someone you know is on this list, **please pay the delinquent taxes by March 31, 2023 to prevent foreclosure. If the 2020 and prior years taxes cannot be paid in full, please contact our office to discuss available options to prevent foreclosure.**

To obtain your current amount due, visit our website or call our automated phone system at 248-858-0611. Payment options include:

- Use our Drop box located at 1200 N. Telegraph Rd., Pontiac, MI 48341 (South side of the County Courthouse)
- Send via U.S. Mail to 1200 N. Telegraph Rd., Pontiac, MI 48341
- Visit our website at oakgov.com/treasurer and click on "Pay Now"

- Make a payment in your community at participating local retailers. Contact our office at 248-858-0611 or at treasurer@oakgov.com to receive a bar code

As required by Michigan law, county treasurers must advertise properties that are at risk of tax foreclosure in a newspaper publication to notify the public. If you have a delinquent tax balance for 2020 or prior years and do not pay your balance **before March 31, 2023**, your property will be subject to foreclosure on **April 1, 2023**.

Taxpayer Assistance Meetings are available for you to speak one-on-one with a Treasurer's Office team member to review repayment options. Our financial counselors also are available to provide free, one-on-one, and confidential assistance to you.

To schedule a Taxpayer Assistance Meeting or a financial counseling appointment, visit our website at oakgov.com/treasurer or call our office at 248-858-0611.

Sincerely,

Robert Wittenberg
Oakland County Treasurer

**Key dates in the tax foreclosure process: Show Cause Hearing on January 24, 2023
Judicial Foreclosure Hearing on January 30, 2023 Redemption Deadline on March 31, 2023**

The following parcels have delinquent property taxes for the 2020 and prior tax years. The amount listed was the balance due as of **December 1, 2022**. The **current amount** required to prevent foreclosure **must be obtained from the Oakland County Treasurer** as additional interest, fees, and penalties may have accrued since that date. The Treasurer's Office website, address and phone number are listed below.

The General Property Tax Act, Public Act 206 of 1893, MCL 211.1 to 211.157 as amended, requires the Oakland County Treasurer to foreclose real property for failure to pay delinquent property taxes. Pursuant to MCL 211.78g, the below listed parcels were forfeited March 1, 2022. MCL 211.78h requires the Oakland County Treasurer to file a petition in the Circuit Court seeking a judgment of foreclosure.

In accordance with MCL 211.78i(8)(g), "unless the forfeited unpaid delinquent taxes, interest, penalties, and fees are paid on or before **March 31, 2023**, or in a contested case within 21 days of the entry of a judgment foreclosing the property under section 78k, the title to the property shall vest absolutely in the foreclosing governmental unit and that all existing interests in oil or gas in that property shall be extinguished except the following:

- (i) The interests of a lessee or an assignee of an interest of a lessee under an oil or gas lease in effect as to that property or any part of that property if the lease was recorded in the office of the register of deeds in the county in which the property is located before the date of filing the petition for foreclosure under section 78h.
- (ii) Interests preserved as provided in section 1(3) of 1963 PA 42, MCL 554.291."

In accordance with MCL 211.78i(8)(g) "a person with an interest in the property may lose that interest and any equity associated with that interest as a result of the foreclosure proceeding under section 78k and that all existing interests in oil or gas in that property will be extinguished except the following:

- (i) The interests of a lessee or an assignee of an interest of a lessee under an oil or gas lease in effect as to that property or any part of that property if the lease was recorded in the office of the register of deeds in the county in which the property is located before the date of filing the petition for foreclosure under section 78h.
- (ii) Interests preserved as provided in section 1(3) of 1963 PA 42, MCL 554.291."

Anyone having or acquiring an interest in this property should contact the county treasurer to verify the status of taxes on the property.

Redemption of this property may only be granted upon payment in full of all forfeited unpaid delinquent taxes, interest, penalties, and fees by **March 31, 2023** or in a contested case within 21 days of the entry of a judgment foreclosing the property. If payment is not received this property may be sold and occupants may have to vacate. Additional interest will continue to accrue at the rate of one

and a half percent (1.5%) per month, until foreclosed or paid. Additional fees will be added as they occur.

The Oakland County Treasurer's Office can help you prevent foreclosure and save your property. Please call the Oakland County Treasurer's Office immediately at 248-858-0611 or visit oakgov.com/treasurer to schedule a Taxpayer Assistance Meeting to discuss your situation one-on-one, determine eligibility for a repayment schedule, and explore other available resources. Repayment schedules are valid for one year and must be renewed each year to prevent foreclosure. Additional interest, penalties, and fees will continue to accrue.

The following list represents parties that appear to have title, lien or other apparent rights to the parcels being foreclosed by the Oakland County Treasurer. Your rights may be affected even if you are not named in the list if the person named is deceased and you are an heir to the estate, receive an assignment, or purchase the property from a named or unnamed person.

This notice is required by law if it appears that a party may hold any undischarged, apparent, or potential title or lien right to the property, even if the party no longer claims or desires an interest in the property.

Listing of a party does not necessarily indicate ownership of a parcel, or liability for the property taxes.

This list is not an offering of property for sale. These parcels are not being sold, auctioned, or otherwise made available by virtue of this notice. There is no procedure for purchasing these parcels from the Oakland County Treasurer at this point in the foreclosure proceeding. If foreclosed, parcels may become available at public auction in the summer of 2023. Check oakgov.com/treasurer for more information as the auction approaches. These parcels remain the property of their current owner until redemption rights have expired. No party shall make any attempt to inspect or enter upon these properties assuming them to be for sale. This may constitute trespassing and subject the offender to criminal prosecution.

Any party who holds a **legal interest** in the property at the time the judgement of foreclosure is effective has the right to **make a claim** for any remaining proceeds, after a sale or transfer of the property under section 78m, which first requires completing and sending the Notice of Intention required by MCL 211.78t to the Oakland County Treasurer **no later than July 1, 2023**.

Those who wish to consult with an attorney about this notice and pending tax foreclosure may go to the State Bar of Michigan's legal resource and referral web page at <https://lrs.michbar.org> or may call (800) 968-0738 for assistance in finding private legal counsel.

The Oakland County Treasurer will conduct an administrative show cause hearing on **January 24, 2023, at 10:00am** in the Commissioners Auditorium at

1200 N. Telegraph Rd., Pontiac, MI 48341 in accordance with Section 211.78j. Any person with a vested interest in the forfeited property may appear at the hearing and redeem the property or show cause why the parcel should be removed from foreclosure. Persons will receive a hearing in the order in which they arrive.

MCL 211.78k(2) states "A person claiming an interest in a parcel of property set forth in the petition for foreclosure may contest the validity or correctness of the forfeited unpaid delinquent taxes, interest, penalties, and fees for 1 or more of the following reasons:

- (a) No law authorizes the tax.
- (b) The person appointed to decide whether a tax will be levied under a law of this state acted without jurisdiction, or did not impose the tax in question.
- (c) The property was exempt from the tax in question, or the tax was not legally levied.
- (d) The tax has been paid within the time limited by law for payment or redemption.
- (e) The tax was assessed fraudulently.
- (f) The description of the property used in the assessment was so indefinite or erroneous that the forfeiture was void."

MCL 211.78h requires holding a Judicial Foreclosure Hearing. **This hearing will be held at 8:30am, Monday, January 30, 2023** in front of Judge Martha Anderson at 1200 N. Telegraph Rd., Pontiac, MI 48341. The docket number of the petition is 2022-194590-CZ. A person claiming an interest in a parcel who desires to contest the petition for foreclosure must file written objections with the Clerk of the Circuit Court and serve a copy of those objections to the Oakland County Treasurer.

A person claiming an interest in property being tax foreclosed wishing to challenge the foreclosure is heard by a judge. The person may contest the validity or correctness of the foreclosure for the same reasons that the person contested the foreclosure at the Show Cause Hearing. Pursuant to MCL 211.78k(4) the judge may also withhold the property from foreclosure if the court determines that the owner is any of the following:

- (a) a minor heir,
- (b) incompetent,
- (c) without means of support, and/or
- (d) is undergoing a substantial financial hardship.

Attend in person:

Report to the 4th floor of the Oakland County Courthouse
1200 N. Telegraph Rd.
Pontiac, MI 48341
Check in begins at 7:30am
Hearing starts at 8:30am
