

*When a friend departs  
...we care*

*Fate forces us to endure the loss of loved ones, but it is never easy. At such times it is important to have the strong support of someone who understands.*

*Your family needs are important to us. We at McCune Garden Chapel, since 1938, have dedicated ourselves to providing help, understanding, and support in your time of need.*

***McCune***

**GARDEN CHAPEL**

*McCune family owned since 1938*
