

# AGE WELL DRIVE SMART

The National Activity/Retired Federal Employees along with the Senior McBride Center is presenting an Older Adults and Traffic Safety Program.

**January 14<sup>th</sup>, 2026**

**1pm-3:30pm**

**Only 50 seats available**

NARFE is a vibrant community of federal employees invested in each other's future wellbeing. We support legislation beneficial to civilian and retired employees.

We are holding a presentation by CA CHP Office of Traffic Safety (OTS).

This program will place emphasis on roadway safety and mobility of California seniors. It provides a certificate of completion for insurance discounts, if your insurance honors this program.
