Two Candidates Vie For Select Board

By SAM DRYSDALE

The special election for an open seat on the Mashpee Select Board has narrowed to the two final can-
didates: A. Gregory McKelvey and Michael A. Colombo.

The final day of registration was Tuesday, with no new can-
didate entering the race since last week, according to the Town Clerk’s office.

A special election is to fill a seat left open by former chairman Andrew R. Boulger, who unex-
pectedly resigned in July. It is scheduled for Tuesday, October 4, from 8 AM to 5 PM at the Quadrant Elementary School gymnasium.

Early voting will be held for the local election by mail only. Anyone who would like to vote early by mail should request a ballot well in ad-
