

A Summer to Remember for Madisonian

Wanda Fullmore, 16, has returned from Washington, D.C., where she spent the summer in a work experience program for black high school youths sponsored by the New York NAACP. She spent two months in the

capital — working, sightseeing, watching Congress at work, meeting new people — and she loved it.

"It was a great experience for me," she smiled. "I got to meet kids from all over the country, they took us to New York to see a play, they planned parties for us, but best of all, I got good work experience."

Wanda, a senior at Memorial High School in the fall, worked in the federal General Service's Administration building as a clerk typist. Along with 30 other young people involved in the program, she stayed on the George Washington University campus.

The program, which will be repeated next year, is designed specifically for disadvantaged youth.

She was chosen to participate

Wanda Fullmore

by the Neighborhood Youth Corps here. The youth corps units all over the country were asked to recommend a specific youth for the program.

Wanda was selected because a teacher's aide at the South Madison Day Care Center, Child Development Inc. She was in Washington from June 26 to Aug. 19.

James Castle, Accountant, Opens Office

James Castle

James H. Castle, who has been with the accounting firm of Ernst and Ernst in Milwaukee, for the past six years, has opened an office at 16 N. Carroll St. in Madison.
