Athletics Director: Mr. Daniel Barrett — Alternative Education Coordinator: Mrs. Lisa Wagner

April 22, 2025

Greetings LCHS Families:

At Louisa County High School, we strongly believe in maintaining an open and direct line of communication with our families and students. This is – and always will be – one of our top priorities.

This afternoon, an individual working on our campus was taken into custody after inappropriate content was found on the individual's personal device, which was off campus. **This individual is not a full-time employee of LCPS** but has worked at the school building as a part-time, seasonal employee.

The Louisa County Sheriff's Office has launched an investigation into this individual. We are fully cooperating with the Louisa County Sheriff's Office, and pending the investigation, **this individual will not be associated with LCPS or be allowed on school property.**

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Rodney Redd

Principal

Louisa County High School
