

HOROSCOPE by EUGENIA LAST

Monday September 2nd, 2019

CELEBRITIES BORN ON THIS DAY: Zedd, 30; Salma Hayek, 53; Keanu Reeves, 55; Mark Harmon, 68.

Happy Birthday: Put rigidity aside when faced with complex situations. Being able to see all sides of whatever situation you face this year will encourage change that is positive, doable and reflective of the type of leader you can be. Stand tall, set priorities and shoot for the stars. Compassion, participation and romance will result in personal growth and happiness. Your numbers are 9, 14, 22, 26, 30, 32, 41.

ARIES (March 21-April 19): You can think big and make plans, but when it comes to taking action, size down, be reasonable and choose to spend your time and money wisely. A change may not be expected or wanted, but in hindsight, it will be beneficial. ★★★

TAURUS (April 20-May 20): Your changing attitude may confuse some, but you'll find solace with those heading in a similar direction. Divvy up the work that needs to be done, and you will reach a common goal and form a close bond with like-minded individuals. ★★★

GEMINI (May 21-June 20): Don't believe everything you hear. Someone will lead you astray to avoid owning up to a mistake or a rumor that's traveling around your circle of friends. Keep your personal life a secret to avoid being talked about. ★★★

CANCER (June 21-July 22): Control your emotions. You will need a clear vision if you plan to get things done your way. Persuasive tactics will work if you have a good plan that you present with passion. Ask for help, and someone will accommodate you. ★★

LEO (July 23-Aug. 22): You don't have to do what someone else is doing. Choose what works best for you. By using your skills, knowledge and experience appropriately and monitoring your spending, you will make a difference by completing what matters most. ★★★★★

VIRGO (Aug. 23-Sept. 22): Take a logical approach to situations that concern a multitude of people. You'll stand out if you make a point to understand what everyone else is doing and needs to succeed. Become the vehicle that unifies and brings everyone together. ★★★

LIBRA (Sept. 23-Oct. 22): Do what you can to lend a helping hand. Keeping the peace will be necessary if someone tries to start an argument. Focusing on doing a good job and staying busy will deter anyone disruptive from getting in your way. ★★★

SCORPIO (Oct. 23-Nov. 21): Put in the time and do your research to figure out the best way to incorporate positive change into your daily routine. A kind word or gesture will encourage others to be supportive. Personal gain is apparent. ★★★

SAGITTARIUS (Nov. 22-Dec. 21): Listen and fact-check. Don't expect to be offered the whole truth or both sides of a story. If you judge others, you will be judged. Avoid exaggerating, being indulgent or taking part in gossip or risky ventures. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Don't let your emotions interfere in your progress. If there is something you want to get done, concentrate on finishing what you start. Actions will speak louder than words, and sticking to a budget will help you avoid criticism. ★★

AQUARIUS (Jan. 20-Feb. 18): Change the way you handle your cash. Look for an additional source of income. A change will boost your morale and encourage you to look and do your very best. Don't let what others do lead you astray. ★★★★★

PISCES (Feb. 19-March 20): Stick to whatever plan you put in place. If you start bending to what people want, you will lose sight of your goal and end up going over budget. A partnership shouldn't cause confusion or lead to regret. ★★
