

HOROSCOPE by EUGENIA LAST

Saturday December 27th, 2025

CELEBRITIES BORN ON THIS DAY: Timothee Chalamet, 30; Chloe Bridges, 34; Hayley Williams, 37; Gerard Depardieu, 77.

Happy Birthday: Take your time. Go through the pros and cons before you make choices. Refuse to let anyone push you in a direction that leads to uncertainty or backward motion. Patience is your best asset when dealing with partnerships, money matters and lifestyle changes. Back away if something doesn't feel quite right. Trust your instincts. Be a leader, not a follower, and make your way forward in a way that feels comfortable to you. Your numbers are 9, 21, 26, 32, 34, 38, 49.

ARIES (March 21-April 19): Engage in something creative and explore an event or activity that excites you. Participation is the way forward, and researching how best to conquer your fears and lift boundaries that stand between you and something you long to do will be liberating. Do what's best for you, and distance yourself from those standing in your way. ★★

TAURUS (April 20-May 20): You'll absorb information readily. Participate in events, sign up for courses and push forward with your plans. Make changes that accommodate your success. Revamp your schedule, clear a space to make your intentions easy to achieve, and enjoy developing the prospects that you are laying the foundation for. Celebrate with someone you love.

Romance is favored. ★★

GEMINI (May 21-June 20): Keep your thoughts to yourself, follow your heart and channel your energy into preparing and initiating your plans. Change begins with you, so don't labor over what others do or say when, ideally, your future is up to you. Set a budget, timeline and schedule that is easy for you to accommodate, and don't look back. ★★

CANCER (June 21-July 22): Keep your emotions out of the equation. If you want something, make it your focal point, and refuse to let anything or anyone stand in your way. Stretch yourself to the limit if it will help you reach your goal. Put time aside to nurture a meaningful relationship, and you'll avoid backlash. ★★

LEO (July 23-Aug. 22): Dream on; let your mind travel to the places you want to go. Whether it's plans, educational pursuits, travel or revisiting situations you wish to finalize before next year, the time is right to clear a path forward. Set the tone, and develop your strategy. Reach out to someone who can help you fast-track your way forward. ★★★★★

VIRGO (Aug. 23-Sept. 22): Put your energy into home and self-improvements. What you uncover will

help you make better choices about who you share information with and who you allow into your inner circle. Discipline will help you reach your goal, open doors and close those that never should have been open in the first place. Peace and love are within reach. ★★★

LIBRA (Sept. 23-Oct. 22): Rethink your plans before you share information. You are best not to allow outside influences take over. Research is your friend and will help you eliminate what's not necessary, freeing up valuable time you can apply to what makes you happy. It's time to replace the old with the new and satisfy your needs. ★★

SCORPIO (Oct. 23-Nov. 21): Complete your year-end to-do list. Set a budget for what's to come, and put a plan in place that is within reach. Reach out to experts; network, socialize and let your charm and interest help you gain insight from the elite to help you formulate your path to success. Don't hesitate to take advantage of an opportunity. ★★★★★

SAGITTARIUS (Nov. 22-Dec. 21): Be honest with yourself. Consider what's possible, and verify facts. Knowing what and who is available to you is essential if you want to make changes next year. Put more thought and energy into how you structure your expenses and earn your living. Budget will make the difference between reaching your goal and failing to launch. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Take care of unfinished business to avoid late fees or other penalties. A change to your routine or social plans will leave you questioning how you want to start the year off. Look for opportunities that encourage knowledge and insight and the chance to learn something new that increase your chances of advancing. Rethink your lifestyle. ★★

AQUARIUS (Jan. 20-Feb. 18): Creative accounting will help you figure out a way to afford your pursuits. A conversation with a financial expert or someone you are considering partnering with will help you put your plans in perspective. A change to your living arrangements will require forethought to avoid incompatibility. An opportunity to bring in extra cash is apparent. ★★★★★

PISCES (Feb. 19-March 20): Emotions can mess with your plans. Take a backseat and listen. The more introspective you are, the easier it will be to distance yourself and evaluate the possibilities without bias. Your strength is your intuition. An opportunity is apparent, but how you treat others and apply the knowledge you receive will determine your success. ★★
