Saturday's Cryptoquip: IF A BARBER WANTED TO FINISH HIS WORK CONSIDERABLY FASTER THAN USUAL, WOULD HE TAKE SHORTCUTS?

Today's Cryptoquip Clue: B equals L

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
