

HOROSCOPE by EUGENIA LAST

Saturday November 1st, 2025

CELEBRITIES BORN ON THIS DAY: Toni Collette, 53; Jenny McCarthy, 53; Anthony Kiedis, 63; Lyle Lovett, 68.

Happy Birthday: Set high standards, boundaries and goals this year, and strive to keep the promises you make to yourself and others. You have plenty to gain if you are willing to put in the time and effort. Refuse to make excuses or let what others do stand in your way. Be courageous and determined, and you will gain respect and reach your destination. Don't forget to celebrate your victories. Your numbers are 2, 13, 24, 27, 32, 41, 48.

ARIES (March 21-April 19): Address personal affairs and keep your secrets private. Avoid events that favor excessive or indulgent behavior. A reserved approach to investments and domestic actions will spare you from having to backtrack. Tie up loose ends, address contracts and pay attention to overdue debt. Look for innovative, affordable solutions, and you will come out on top.

★★★

TAURUS (April 20-May 20): Nurture meaningful relationships. Go the extra mile to please others. Showing compassion will lead to open communication and finding novel ways to resolve issues. Home improvement projects can enhance your comfort and encourage you to spend more time with friends and family. You don't have to spend a lot to have a good time. Live within your means. ★★★★★

GEMINI (May 21-June 20): Enrich your life by attending seminars, going to reunions or traveling to places that offer cultural experiences. A change of scenery will give you food for thought and encourage you to expand your interests and friendships, update your appearance or consider a new professional direction. Personal growth and romance are in the stars. ★★

CANCER (June 21-July 22): Mix business with pleasure, and you'll make headway. Networking events will give you a different outlook regarding the possibilities. It's time to diversify how you use your skills and knowledge. Set yourself up for success by expanding your mind, interests and associates. It's time to up your game.

Avoid overspending or indulgent activities. ★★★★★

LEO (July 23-Aug. 22): You may receive misinformation that can lead you astray. Question everything and everyone before making a move or signing up for something you know little about. The best change you can make is one that only involves you. Discover how you can enhance your awareness and acquire new skills.

Personal gain and romance look promising. ★★

VIRGO (Aug. 23-Sept. 22): Share your plans with anyone who will face the implications of your changes.

Offering compensation will help you gain support, making it easier to complete your mission. Making home improvements, investing in what brings you happiness and seizing opportunities that encourage a positive lifestyle change are favored if you don't take on more than you can handle. ★★★

LIBRA (Sept. 23-Oct. 22): Preparation is everything when you are trying to advance. Review your profile, check your reputation and ensure everything is in top shape. Simplification is the key to holding the attention of those you are trying to impress. Offer a confident dialogue and an ironclad resume that stands the test of time. Ask, and you shall receive. ★★

SCORPIO (Oct. 23-Nov. 21): Participation is favored. You can sit alone or share your thoughts with others. Interaction will stimulate your mind and nudge you to exploit your talents and turn your ideas into something tangible. Trust your instincts, and make the most of your day. Opportunity is apparent, along with expanding your circle of friends and interests. ★★★★★

SAGITTARIUS (Nov. 22-Dec. 21): Stop, think and evaluate the outcome before you initiate a change. Consider who you are dealing with, whether your emotions are misleading you and if you are ready for the consequences that come with taking a risk. Time is on your side, and patience is a virtue. Reserve judgment, verify information and rethink your objective. ★★

CAPRICORN (Dec. 22-Jan. 19): You'll taste victory if you stay on top of your game. Put your energy where it counts, and you will make a difference. Consider what you enjoy doing most, and turn it into a lucrative endeavor. Use your imagination, and let your discipline and determination push you toward your goal. Market yourself for success. ★★★★★

AQUARIUS (Jan. 20-Feb. 18): A change at home will be uplifting. Conversations will help you gain support and the go-ahead to take matters into your own hands and turn your dreams into a reality. Invest time, money and energy in yourself, both emotionally and physically, and you'll reap the results that lead to success. Romance is in the stars. ★★

PISCES (Feb. 19-March 20): Put your energy to work for you. Engage in learning, travel or more significant involvement in activities that put a smile on your face. Socializing, networking and entertaining are favored. Get out and promote who you are, what you want and what you have to offer, and you'll gain recognition. Take the initiative and enjoy the ride. ★★
