Thursday September 5th, 2019

CELEBRITIES BORN ON THIS DAY: Kat Graham, 30; Rose McGowan, 46; Michael Keaton, 68; Raquel Welch, 79.

Happy Birthday: Think big, but when it comes time to initiate your plans, take one small step at a time. Everything will eventually fall into place as the year progresses, allowing you to meet your mark in every way without setbacks, losses or regrets. Give yourself time to enjoy the ones you love as well as each accomplishment you make. Your numbers are 4, 12, 18, 23, 27, 36, 40.

ARIES (March 21-April 19): Look over your personal finances and medical records, and check lottery tickets that you've stashed away somewhere safe. Make a to-do list, and flesh out ideas that you think have the potential to bring in extra cash. ★★★★★

TAURUS (April 20-May 20): Have a good reason and a plan in place before you make a move. Confidence will be more prevalent if you have done the legwork and have left nothing to chance. Make plans for someone you love. ★★★

GEMINI (May 21-June 20): Pay attention, listen to what's being said and make decisions based on what's most practical. Refuse to let your emotions take over or temptation overpower you. The less you commit to, the better. A frugal lifestyle will spare you unnecessary stress. ★★★

CANCER (June 21-July 22): The changes you make personally or to your living arrangements or surroundings will lift your spirits. Keeping up with trends, technology and how you present who you are and what you do will end up being beneficial. ★★★

LEO (July 23-Aug. 22): Separate what is possible from what isn't. It's best to have a plan in place and to put your effort where it will bring the highest return. Be secretive about your long-term plans until you are confident you can make them happen. ★★★★★

VIRGO (Aug. 23-Sept. 22): Get together with people who make you think. Change happens

when good ideas are shared and promises are made. What you accomplish now will make a difference in the way you move forward. Dump dead weight, and move forward with precision. ★★

LIBRA (Sept. 23-Oct. 22): Being friendly and doing too much for others will encourage someone to take advantage of you. Strive for equality in your relationships. Rethink friendships with people who make a fuss when you ask for something in return. ★★★★★

SCORPIO (Oct. 23-Nov. 21): Make a point to reconnect with old friends. The memories you share will encourage you to revisit a goal that used to excite you. With a little effort, you can reinvent your plans to suit trends and markets. ★★★

SAGITTARIUS (Nov. 22-Dec. 21): Refuse to let your emotions take over. If you give in to someone who takes advantage of you, it will lower your self-esteem. Keep your life simple, your bank accounts healthy and your relationship with others evenly balanced. ★★★

CAPRICORN (Dec. 22-Jan. 19): A change at home will take you by surprise. Do your best to organize and plan your next move. Staying on top of whatever situation unfolds will lead to personal gains. Contracts and medical issues should be handled with moderation. ★★★

AQUARIUS (Jan. 20-Feb. 18): If you don't like the changes someone is making, let him or her know that you don't plan to take part. Being honest will put an end to manipulative tactics that play on your emotions. Do what's best for yourself. ★★★★★

PISCES (Feb. 19-March 20): Stick close to home. Don't trust anyone trying to talk you into overspending, participating in indulgent behavior or signing up for something you don't want to do. Set your sights on personal growth, romance and helping a worthy cause. ★★
