

HOROSCOPE by EUGENIA LAST

Sunday October 13th, 2019

CELEBRITIES BORN ON THIS DAY: Sacha Baron Cohen, 48; Kate Walsh, 52; Kelly Preston, 57; Marie Osmond, 60.

Happy Birthday: Set precise goals, but be willing to make changes as you forge into the future. Now is not the time for patience or procrastination, it's the time to take action and make the most of the opportunities that come your way. Changes in your financial situation, health and contractual agreements look favorable; however, he who hesitates is lost. Your numbers are 5, 13, 17, 25, 34, 37, 46.

ARIES (March 21-April 19): Spend time sorting out any differences you have with someone you love. Working in unison to reach a similar goal will help you bring about the changes you are hoping to make a little faster. Love is in the stars. ★★★

TAURUS (April 20-May 20): Your changing attitude will push you to new levels. Consider partnering with people who share your opinion but have something different to offer. Discuss your ideas and feelings with someone you love. A decision will lead to an improved lifestyle. ★★★

GEMINI (May 21-June 20): Just do it. Take on a physical challenge that will encourage you to improve your health and fitness. Surround yourself with people who are energetic, proactive and eager to make life better, not those who are wasteful or excessive. ★★★★★

CANCER (June 21-July 22): Get involved in something you've never done before or with people who have something unique to offer. Discussions will inspire you to try something new that will enhance your skills and your knowledge. A partnership handled properly will lead to greater stability. ★★

LEO (July 23-Aug. 22): Say less, and do more. You'll be remembered for what you contribute, not what you tell people or the criticisms you point out. Look inward, and focus on personal growth, not trying to change others. Put your ego aside and do what's right. ★★★★★

VIRGO (Aug. 23-Sept. 22): Catch up with an old friend, or attend a reunion that will allow you to

take a walk down memory lane. The information you receive will spark an idea that will lead to future get-togethers. Romance is heightened. ★★★

LIBRA (Sept. 23-Oct. 22): Handle domestic situations with care. Be willing to compromise if it will help you get a piece of what you want as well. Don't let family dynamics fester. Address issues and offer suggestions that will accommodate everyone, including you. ★★★

SCORPIO (Oct. 23-Nov. 21): Spend more time with the people who matter the most. A family gathering where you can express your thoughts and get feedback from people who know and understand what you've been through will reinforce what you want to do next. ★★★

SAGITTARIUS (Nov. 22-Dec. 21): Fix up your surroundings, host an event or start a new money-making project. A positive change will help you move forward. Distance yourself from people and situations that have dragged you down or cost you financially or emotionally. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): A steady pace and a calm attitude will help you reach your objective. Emotional arguments with someone who doesn't share your opinion aren't going to help you get ahead or bring you joy. Let peace, love and romance be your priority. ★★

AQUARIUS (Jan. 20-Feb. 18): Work toward personal goals. Don't follow others or buy into someone else's dream. Financial, physical and emotional fitness should be what you strive to obtain. Believe in yourself, set a timeline and don't stop until you reach your destination. ★★★★★

PISCES (Feb. 19-March 20): Lend a helping hand, but don't let anyone take advantage of you. Offer solutions, and move on to matters that will improve your life. A financial gain or physical change is within reach. A settlement, contract or offer is favored. ★★★★★
