ARIES (March 21-April 19): Don't let anger set in when action is required. Surpassing your expectations is your best alternative. Choose to put your energy to good use. A positive attitude brings lasting results. ★★★★★

TAURUS (April 20-May 20): Pay attention to cash flow. It's easy to lose your financial perspective trying to please those you love with lavish gifts when a kind gesture is all that's required. GEMINI (May 21-June 20): Don't ignore the signs and signals you are receiving from those close by. Reach out, address issues swiftly and make amends if necessary. Be open-hearted with relationships, shared expenses and promises you make to others. Let honesty and integrity be your mantra, and you'll gain respect and cooperation. Romance is in the stars. ★★

CANCER (June 21-July 22): Tidy up loose ends, and call it a day. Focus on spreading joy, offering forgiveness and gratitude, and letting go of the past and things beyond your control. LEO (July 23-Aug. 22): Arrange a social get-together, and spread joy to those you love without going into debt or expecting anything in return. Offer your time and listen to what others have to say, and you'll gain insight and perspective that will enable you to lend a helping hand. Let your actions dictate your feelings. Romance is favored. ★★★★★

VIRGO (Aug. 23-Sept. 22): Take a wait-and-see approach, and avoid situations that put you in a vulnerable position. Personal or domestic problems can be costly, so before you spend on unnecessary items and entertain-

ment, be sure to set aside cash for unexpected expenses. Examine what concerns you and make changes that put your mind at ease. ★★

LIBRA (Sept. 23-Oct. 22): Attend events and take every opportunity to market your expertise. The fundamentals that accompany progress will help you recognize who is in your corner and who is not. Map out a doable plan, and avoid making promises you cannot fulfill. Someone you encounter will spark your interest as a potential personal or professional partner. ★★★★★

SCORPIO (Oct. 23-Nov. 21): Foolish spending or overpaying for something in demand will cause worry and debt. A change of attitude that reflects peace of mind, along with a promise to stick to the basics and what you can manage financially, emotionally and physically, will help set you on the right path. Once you find your comfort zone, opportunities will follow. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Put what's most important first and foremost. Leave nothing to chance or up to others, and you will avoid disappointment. Trust your instincts, and be vocal regarding your needs and what you are willing to offer in return. Trust, loyalty and progress go together when it comes to home, family and your closest associates. Read the room. ★★

CAPRICORN (Dec. 22-Jan. 19): Refuse to let other people's obligations become your problem. Offer suggestions, but don't step in and take over. The best lessons in life are those learned by doing for yourself. A change of scenery and pursuits that excite you will lead to growth, new beginnings and a chance to fulfill your desires.

When opportunity knocks, open the door. ★★

AQUARIUS (Jan. 20-Feb. 18): Pick up the slack and do what you do best.
