

HOROSCOPE by EUGENIA LAST

Sunday March 29th, 2026

CELEBRITIES BORN ON THIS DAY: Megan Hilty, 45; Lucy Lawless, 58; Amy Sedaris, 65; Eric Idle, 83.

Happy Birthday: Sit up and take note. Be unique, creative and proactive in designating how you prefer to assist and support others. Know when to cap your free advice, hands-on help and generous heart to those who tend to take advantage of your desire to gain approval. Choose to put your interests and concerns first and to focus on looking and feeling your best. A positive mindset and healthy body will carry you far. Your numbers are 2, 13, 24, 30, 37, 41, 43.

ARIES (March 21-April 19): Plan a playdate with someone you love to be around. Love, peace of mind and a chance to relax and rejuvenate will give you the strength to position yourself for the upcoming week. Let your happy face and your ability to make others smile lead the way, and something good will transpire. Make romance a priority.

★★★★★

TAURUS (April 20-May 20): A physical reaction to a shift taking place will require restraint. Slow down, and consider the outcome before you launch your response. Patience and thought will determine how you manage to get the highest return. Letting spontaneity take over will result in mixed emotions and a shift in how someone feels about you. Choose to nurture love, not test it. ★★

GEMINI (May 21-June 20): Fix what's dragging you down. Work alone; spend time and energy on fixing what clouds your vision and stands between you and your aspirations. Simplify and prioritize your actions and words, and you'll regain focus and the ability to use your strengths and connections to target what's inviting and in your best interests. Romance is favored. ★★★★★

CANCER (June 21-July 22): If you want others to respond favorably, practice what you preach. Dedicate more time to building a solid foundation and adapting what you have and know to fit your changing lifestyle. Keep your emotions hidden and let your intellectual outpouring be the deciding factor of how others respond to and support you.

Choose self-improvement over criticizing others. ★★★★★

LEO (July 23-Aug. 22): Design your routine to meet your demands. Take responsibility, and gather information that helps coordinate your time and effort, allowing you to establish the best results. Look at every angle and use your wisdom and intelligence to guide others in a positive direction. Your input will encourage lucrative opportunities. Romance is in the stars, and a commitment looks promising. ★★★★★

VIRGO (Aug. 23-Sept. 22): Share your feelings, intentions, and emotions openly, and you'll eliminate any chance of being misinterpreted or perpetrating events that can have a negative influence on your reputation or position. Exhibit

kind gestures along with honesty and integrity, and you'll mastermind your way into the hearts of those you encounter throughout your day. Romance is favored. ★★★★★

LIBRA (Sept. 23-Oct. 22): Before implementing a personal change, do your homework. Refuse to let your emotions influence your choices or come between you and someone you care about. A give-and-take attitude in search of equality will help you maintain the status quo and solidify the best path forward. You'll discover a unique outlet for your skills, attributes and expertise. ★★★★★

SCORPIO (Oct. 23-Nov. 21): A new venue will stimulate your senses and give you plenty to digest. Travel, educational pursuits and meeting new people will spill over into how and where you reside. Hosting an event or using your personal space to build something new and exciting will encourage strong ties to someone who shares your interests. Romance is on the rise. ★★★★★

SAGITTARIUS (Nov. 22-Dec. 21): Live in the moment and have fun, and something magical will transpire. Love and personal growth are on the rise and will help you adjust to a changing pattern unfolding around you. Less talk and more action will help you evolve into the person you aspire to be. A positive change at home will change your perspective regarding commitment. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Listen to suggestions, and opportunities will follow. An adjustment to how you earn or use your money will turn into profit. Protect yourself and your good fortune from those eager to take advantage of you. Put your ego aside and posture yourself for success. A change of plans will introduce you to someone or something of interest. ★★★★★

AQUARIUS (Jan. 20-Feb. 18): Apply pressure where it counts. You can turn something you enjoy doing into a new beginning. The people you encounter and the way you market or promote what you can do will have an impact on your schedule and your earning potential. Make strategic moves and plans that will support following your heart.

★★★★★

PISCES (Feb. 19-March 20): Explore the possibilities. Accept invitations that can help you make new acquaintances, and try your hand at developing new skills or a healthier lifestyle or discovering a niche you didn't know existed. Step outside your comfort zone, and you'll discover what you can do to support yourself and to build a better infrastructure. Self-improvement and personal growth are favored. ★★★★★
