

HOROSCOPE by EUGENIA LAST

Thursday August 21st, 2025

CELEBRITIES BORN ON THIS DAY: Hayden Panettiere, 36; Usain Bolt, 39; Carrie-Anne Moss, 58; Kim Cattrall, 69.

Happy Birthday: You are sitting on a wealth of knowledge and experience that can help you win a position of importance. Whether you are offering insight, gaining experience or dispensing wisdom, this year will bring about a positive transformation in your life. Remain motivated and ready to take on whatever comes your way, and progress will follow. A unique approach to learning and teaching will yield significant benefits. Your numbers are 5, 17, 24, 28, 32, 36, 41.

ARIES (March 21-April 19): Participation is essential if you want to receive valid input on what to do next. Conversations with experts will help you verbalize your thoughts and enable you to support your plans with facts, figures and a hopeful vision for a better future. Refuse to let anyone use emotional manipulation to undermine your plans. ★★★★★

TAURUS (April 20-May 20): Avoid stubbornness and arguments with those who can affect your personal or professional life. Listen, gather information and look for a path that offers the most maneuverability to test what you want to pursue. Listen carefully, and you'll decipher who is looking out for your best interests and who is trying to exploit you. ★★

GEMINI (May 21-June 20): Parlay something you love to do into something tangible. You've got the passion, wherewithal and connections to take what you enjoy doing to the next level. A home improvement, office or designated workout space can significantly enhance your life. Focus your energy on research and expanding your knowledge, skills and interests rather than indulging in behavior that is not beneficial. ★★★★★

CANCER (June 21-July 22): Think big, but budget wisely. Keep a record of what you eat, drink and spend. Too much of anything can be detrimental, physically, emotionally and financially. Put greater emphasis on common sense and taking better care of yourself, your home and your relationships. Trust your instincts, nurture special connections and treat yourself well. ★★

LEO (July 23-Aug. 22): Give and get. Take the good with the bad and turn it into something unique. Don't pay for the mistakes of others or agree to participate in someone else's journey if it might cost you. Stick to what you know and do best, and do your own thing. ★★

VIRGO (Aug. 23-Sept. 22): Participate in something that enhances your outlook, appearance or relationships with others. Keep tabs on your finances and use your

skills constructively to ensure you enhance your popularity with those who can help you reach your goal. Your power comes from living up to your promises.

Trust and stick to those who share your values. ★★

LIBRA (Sept. 23-Oct. 22): Take the high road. Don't let temptation win or anyone put you in a vulnerable position. Stay calm, and use your intelligence and intuition to make choices that are quick, precise and effective. Procrastination is the enemy, and lucidity and action are the path to victory. Put your energy where it brings the highest return. ★★★★★

SCORPIO (Oct. 23-Nov. 21): Keep an open mind, listen and let your charm overpower your emotional need to say or do something disruptive. You can't change others, but you can spare yourself the grief of trying. Channel your energy into something constructive. Concentrate on what will help you achieve your goal. Avoid no-win situations. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Take pride in where and how you live. Make adjustments that suit your lifestyle and help you perform at your best. Look for opportunities that offer a chance to learn and explore new possibilities. Make the most of your time and utilize your skills diversely; your efforts will capture the attention of someone special. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Don't get angry when action is necessary. Assess the situation and take the steps to achieve optimal results. Say no to anyone trying to limit your success. Work independently and refrain from sharing your plans with anyone who may interfere. Direct your energy acutely, set aside your ego and do your best. ★★

AQUARIUS (Jan. 20-Feb. 18): Pull everything together. Your ability to envision the results will give you leverage in a situation that commands attention, skills and presentation all at once. Rise to the occasion, and you'll bring about positive changes that will surprise you as well as those you encounter. A partnership or agreement will lead to monetary gains. ★★

PISCES (Feb. 19-March 20): An event offering insight into a novel way to use your skills will encourage you to add upgrades that help you stand out in a competitive situation. Your charm and contributions will lead to new connections that offer promise for a better tomorrow. Personal gains, growth and opportunities are within reach. ★★
