ARIES (March 21-April 19): Take initiative, and turn your complaints into a thing of the past. It's up to you to adjust whatever isn't meeting your expectations. Invest your time, money and effort into what motivates you to make your wishes a reality. Travel or educational pursuits will help you find answers and discover the best way to reach your goal. ★★★★

TAURUS (April 20-May 20): Refuse to get all worked up when patience and taking care of your responsibilities are in your best interests. Make changes for a good reason, not out of anger, emotional frustration or to one-up someone. You owe it to yourself to recognize what's best for you and to take the path that offers the highest returns.

★★

GEMINI (May 21-June 20): Learn from your experiences, and make better choices. You are overdue for a change that offers the freedom to discover what's possible. Group activities will provide a platform to share your thoughts and solidify your plans.

★★★

LEO (July 23-Aug. 22): Take charge and follow through on your promises. Too much talk, criticism and renegeing will make you appear weak and foster opposition. Include loved ones to ensure you maintain good relationships and receive the support necessary to reach your goals. ★★★

VIRGO (Aug. 23-Sept. 22): In-depth discussions will change your perspective and help you reach an agreement

LIBRA (Sept. 23-Oct. 22): Put some effort toward comfort and convenience. Fixing up your space to motivate you and stimulate personal or professional growth will be energizing and encourage you to update your skills and qualifications, and revamp your resume according to what you desire doing the most. Your happiness is in your hands, so make it happen. ★★

SCORPIO (Oct. 23-Nov. 21): Keep the fire burning. Don't lose sight of your goals. SAGITTARIUS (Nov. 22-Dec. 21): Use your resources, ask questions, learn new skills and master the art of acceptance and change. Moving forward with a will to build, nurture and adapt as you move toward your goal will pay high dividends. An open mind and heart will lead to personal and financial victory. Domestic improvement is favored. ★★★★

CAPRICORN (Dec. 22-Jan. 19): Observation will help you zero in on possibilities. Ask questions, and consider what you need to add to your roster to turn your plans into something tangible. Believe in yourself, and utilize your insight, charm and experience to attract potential candidates you would like to have on your team. You have plenty to gain if you take charge. ★★★

AQUARIUS (Jan. 20-Feb. 18): Turn the dial up, speak and act on your own behalf, gather information and set a reasonable budget. Once you gain momentum, you'll discover how quickly doors open. An energetic approach will bring about personal and professional changes that require monitoring to avoid conflict. Don't neglect what and who you care about most. ★★★

PISCES (Feb. 19-March 20): Put your finances, health and any legal matters first and foremost.
