

HOROSCOPE by EUGENIA LAST

Tuesday September 17th, 2019

CELEBRITIES BORN ON THIS DAY: Patrick Mahomes, 24; Danielle Brooks, 30; Doug E. Fresh, 53; Kyle Chandler, 54.

Happy Birthday: You are heading toward a turning point. Refuse to let stubbornness stand between you and doing what's right and best for everyone involved. Reach out, participate and be willing to compromise. Your numbers are 5, 13, 17, 24, 29, 32, 46.

ARIES (March 21-April 19): Keep an open mind, and it will be easier to share ideas and formulate plans that will accommodate you and those you deal with today. Working in conjunction with others will determine how much you will accomplish. ★★★

TAURUS (April 20-May 20): Follow your gut, and do what comes naturally. What you have to offer can dominate the outcome of a situation that includes older or younger people in your life. Plan to spend less money and to put in more physical energy. ★★★

GEMINI (May 21-June 20): Spend more time taking care of your physical and emotional needs. Refuse to let anyone use you or take you for granted. Personal improvements can be made that will encourage greater confidence. Romance is in the stars. ★★★

CANCER (June 21-July 22): Take better care of your emotional well-being. Make a concerted effort to stay fit and to improve your surroundings to accommodate the activities and hobbies you enjoy doing most. Refuse to let anyone take advantage of you. ★★

LEO (July 23-Aug. 22): Consider what's reusable before you discard one thing and replace it with another. How you use what you have will save you financially and help you avoid being taken advantage of by someone eager to spend your cash. ★★★★★

VIRGO (Aug. 23-Sept. 22): Spend wisely. You'll have choices to make concerning lifestyle, personal finances and taking care of

someone else's affairs. Listen mindfully to the suggestions made by those close to you, and be willing to make concessions. ★★★

LIBRA (Sept. 23-Oct. 22): A little charm will go a long way. Being complimentary will encourage others to do things your way. How you treat people will determine how much they do for you. Personal improvements can be made. ★★★

SCORPIO (Oct. 23-Nov. 21): Experience is the best teacher. Dig in and help, and you will learn something new. A change someone makes will bring you closer together. Going somewhere you've never been will lead to a lifestyle change. Express your feelings openly. ★★★

SAGITTARIUS (Nov. 22-Dec. 21): What others do will prompt you to make a change. Recognize who is a good influence, and walk away from anyone who is misleading. Personal improvements will lead to new opportunities. Romance is encouraged and will enhance your life. ★★★

CAPRICORN (Dec. 22-Jan. 19): The changes you make to your personal investments or health will make a difference to what you can accomplish moving forward. Make plans with someone you love, and it will bring you closer together and lead to positive lifestyle changes. ★★★★★

AQUARIUS (Jan. 20-Feb. 18): Consider what's available and the changes that are within reach. Use your intelligence to decipher what's right for you. Don't feel compelled to follow someone who is taking a chance on something you know little about. Do your own thing. ★★

PISCES (Feb. 19-March 20): Look at the possibilities, but don't lose sight of what's doable. Set priorities, and you will have the best of both worlds. You'll get a taste of what you want and the incentive to save to live your dream. ★★★★★
