

HOROSCOPE by EUGENIA LAST

Thursday August 20th, 2026

CELEBRITIES BORN ON THIS DAY: Amy Adams, 52; Misha Collins, 52; Billy Gardell, 57; Al Roker, 72.

Happy Birthday: The process of letting go of what's holding you back is emotional but necessary. You have plenty to gain if you make the right and best decisions for yourself. Be resourceful, construct opportunities and leave the past behind. You'll thrive once you initiate change and welcome the people and projects you want to pursue. Your numbers are 5, 13, 21, 29, 32, 43, 45.

ARIES (March 21-April 19): Formulate a plan, and make it happen. Take an aggravating situation you encounter and turn it into a positive experience. If you let your words and actions lead the way, the results will turn out better than you anticipated. Attending an event will encourage new connections and information that results in positive changes. A commitment will change your lifestyle. ★★★★★

TAURUS (April 20-May 20): Refuse to let anyone pressure you into something you aren't sure you want to do. Avoid social events or spending on something that you don't need. You can enrich your life if you spend more time working toward self-sufficiency. Fine-tune your thoughts, ideas and plans, and address matters that are standing between you and your objective. ★★★

GEMINI (May 21-June 20): Look, see and do. Time is of the essence if you want to make the most of an opportunity. Recognize the possibilities, and let change be your energy booster. Don't labor over things you cannot control; instead, connect with people who can shed light on your situation and offer alternatives. Assess your routine, and adjust things to suit your needs. ★★★

CANCER (June 21-July 22): Find your way back to the basics. Simpler things will put your mind at ease and give you a chance to reflect. Step away from those putting pressure on you. Don't limit your options to please others. Take preventative measures, and develop principles and standards that encourage you to pursue what makes you happy. Protect against injury and illness. ★★★★★

LEO (July 23-Aug. 22): Keep your eye on your budget, and don't surpass your financial comfort zone. It's up to you to inflict discipline and to monitor expenses if you want to be solvent. Concentrate on lifestyle changes that encompass health and looking and feeling your best. Let your effervescent personality be the light that others gravitate toward. Personal growth is favored. ★★

VIRGO (Aug. 23-Sept. 22): Relax, kick back and give yourself a chance to absorb, review and conjure up what you want to do next. Walk away from emotional

situations that are causing you distress. Consider what you look forward to the most, and head in that direction. Rethinking your goals or how or where you live will help you decide your next move. ★★

LIBRA (Sept. 23-Oct. 22): Don't limit yourself. Think big, dare to be different and express your opinions passionately. If you step up and lead the way, unusual partnerships will complement your plans and help you give rise to something new and exciting. Act on your behalf, and you will make a difference. A commitment will lead to completion and personal growth. ★★★★★

SCORPIO (Oct. 23-Nov. 21): A steady, secretive pace will propel you forward. Refuse to be tempted by someone else's exaggerated presentation. Stick to your plans, learn through experience and observation, and when you feel confident and ready to step into the spotlight, you will get your point across and gain the support you need.

Your power lies in fulfilling your promises. ★★★

SAGITTARIUS (Nov. 22-Dec. 21): Read the room. Target who you want to single out and what you want to achieve. The sky's the limit, and communication will fast-track your acceleration. It's time to present and promote what you've been working so hard to master. Whether it's a partnership, educational pursuit or gaining respect in your community, your actions will be met with positive affirmation. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Refuse to let anger set in when accomplishments will satisfy your needs. Distance yourself from those who get in your way, and position yourself for success. Working alone is in your best interest and will help you recognize your strengths and weaknesses. Look at the facts, accept the outcome and have faith in your ability to do better. ★★★

AQUARIUS (Jan. 20-Feb. 18): Be receptive to those trying to help you. You have plenty to gain if you do your part. A change of plans or lifestyle is favored. It's time to expand your circle of friends and to discover what life has to offer. Let go of the past and live for today. Romance is in the stars. ★★★★★

PISCES (Feb. 19-March 20): Emotions will get the best of you if you leave yourself open for insult. Channel your energy into something productive, and you will find your happy place. If you let your creativity shine through, what you produce will satisfy your soul. Social or competitive situations will give you a platform to present and promote what you do best. ★★
