Yesterday's Cryptoquip: IF A FRIZZY CLUMP OF FIBERS FORMS ON SOMEBODY'S FLAT-TOPPED CONICAL HAT, THAT IS FEZ FUZZ.

Today's Cryptoquip Clue: K equals L

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
