

HOROSCOPE by EUGENIA LAST

Saturday June 6th, 2026

CELEBRITIES BORN ON THIS DAY: Aubrey Anderson-Emmons, 19; Natalie Morales, 54; Paul Giamatti, 59; Robert Eglund, 79.

Happy Birthday: Stand up and be counted. Participate in events that help bring about positive change. Life is simple; it's people who make matters complicated. Trust your instincts and align yourself with the right side of history. Use your strengths and connections to get things done, and make truth and responsibility your mission. A positive attitude will get you much further than fake rhetoric. Your numbers are 7, 15, 22, 25, 36, 42, 47.

ARIES (March 21-April 19): Take a moment to digest what's unfolding around you. Question, assess and say no to anything that causes doubt. Be passionate about what you do and say, and you'll be the one to captivate your audience. Truth matters, and so does taking care of business. Be the adult at the table and the one to shun overindulgence. ★★★★★

TAURUS (April 20-May 20): Deep breaths in and out will help you ward off anxiety that comes with uncertainty. When something isn't clear, ask for more details. Align yourself with people who are on the same page as you and who are eager to implement the changes necessary to make life easier. Love and romance are favored. ★★

GEMINI (May 21-June 20): Put pressure on yourself to do better. How you present your beliefs and the changes you want to bring about will make a difference to the outcome. Do your research; there is no room for error. Keep your plans reasonable and your word reliable. Question credibility and those trying to rewrite history. Be the solution, not the problem. ★★★★★

CANCER (June 21-July 22): Don't waffle; the sooner you take care of your responsibilities, the easier it will be to deal with criticism or someone trying to make you look bad. Carefully choose the information you share. An exaggerated point of view could end up costing you emotionally, financially or physically. Concentrate on how you look and feel, and adopt a healthy lifestyle. ★★

LEO (July 23-Aug. 22): Live and learn. Experience is the best teacher. Your generous attitude and helping hand will put you in the spotlight, impressing someone you'll enjoy getting to know better. Reach out, assist and be sure to do what you say. Having the discipline and integrity to match your words will make the difference in how much you achieve. ★★

VIRGO (Aug. 23-Sept. 22): Timing is everything, and by picking the right moment, you can sway how others feel and what they choose to do. A kind gesture, remark or offer will set the stage for what's to come. Learn to put

your energy where it commands the most attention and highest return. You can be low-key and still push your agenda. ★★

LIBRA (Sept. 23-Oct. 22): Bypass anyone who stands in your way. Make unexpected changes that will separate you from the crowd. Social settings will give you a chance to pick up on what others are up to. Knowing how to please others to get what you want will pay off. Anger offers negative results and setbacks, while positive actions help build respect. ★★★★★

SCORPIO (Oct. 23-Nov. 21): Explore your options, and put your energy into something you love doing. Whether it's physical, mental or expanding your options through networking, educational pursuits or travel, pursue what makes you happy. Fact-check information to avoid taking the wrong path. Physical improvements will fetch compliments, and love and romance are on the rise. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Invite change into your life. You need to shake things up if you want to get what you desire in your life. Focus on eliminating what brings you down and holds you back, and turn your attention to lowering your overhead and choosing a lifestyle or professional change that boosts your earning potential. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Fix up your surroundings to make your life easier. The difference a functional space makes will encourage you to entertain more and ensure those you live with appreciate your thoughtfulness. Opportunities will unfold as more people recognize what you can offer. Let your charm lead the way. Getting closer to someone you love looks promising. ★★★★★

AQUARIUS (Jan. 20-Feb. 18): Money management will pay off. What you budget for will help bring about changes at home that make your life less cumbersome. Whether it's steering the dynamics of the personalities around you or decluttering to give yourself space to follow your dreams, the outcome favors you. Take one step at a time; get your facts straight. ★★

PISCES (Feb. 19-March 20): You may feel like celebrating, but before you do, consider the cost involved and the labor-intensive recovery you are likely to face. Choose your battles wisely and only change what's necessary. A social event will broaden your circle of friends and encourage a positive lifestyle change. Romance doesn't have to be costly; let affection lead the way. ★★
