

HOROSCOPE by EUGENIA LAST

Friday August 28th, 2026

CELEBRITIES BORN ON THIS DAY: Jason Priestley, 57; Jack Black, 57; Shania Twain, 61; Luis Guzman, 70.

Happy Birthday: Change may be on your radar, but before you begin, put an end to matters you don't want to drag into your future. Maintaining a good reputation will help you promote what you want to pursue. Refuse to take a risk with contracts, investments or anything that can disrupt your health and well-being. Be true to yourself, and take care of both personal and professional business. Your numbers are 5, 12, 22, 34, 37, 45, 49.

ARIES (March 21-April 19): Look for opportunities to expand your interests, meet new people or take a relationship or a personal goal to a higher level. A lifestyle change will lift your spirits and encourage you to use your creative imagination and skills in a unique and entertaining manner. An energetic approach to helping others will pay high dividends. ★★

TAURUS (April 20-May 20): Refuse to let stubbornness hold you back. Talks will lead to new possibilities that help you let go of what's no longer working for you while you pursue something that you find rejuvenating. Say no to temptation, overspending and poor behavior, and focus on self-improvement, discipline and making your dreams come true. ★★

GEMINI (May 21-June 20): Refuse to let your emotions take you down a slippery slope. Be observant, and keep your thoughts to yourself. Do your best to save your money. Be true to yourself and the pastimes that make you happy. Personal growth, self-help and exploring your options are favored. A work-from-home opportunity looks promising. ★★

CANCER (June 21-July 22): Engage in activities that make you think, and you'll gain insight into people and places that offer healthy outlets. It's time to follow the path that leads to personal joy instead of always doing for others and putting their happiness before your own. Traveling, learning and socializing are encouraged. Let go of what's holding you back. ★★

LEO (July 23-Aug. 22): Explore what's available to you, and push yourself to participate in events and activities that give you something to look forward to. It's time to expand your circle of friends as well as your interests and to take a position of leadership where applicable. If you embrace a positive attitude, gratitude will follow. ★★

VIRGO (Aug. 23-Sept. 22): Negotiations will require compromise. Pay attention to detail, and ask for professional help if it will help you avoid regret and long-term consequences. Change can be good, but first you must

keep your emotions in check and your goal in sight. Doing what's best for everyone will help you gain the confidence, respect and desired results. ★★

LIBRA (Sept. 23-Oct. 22): You can make personal progress if you choose the right path. Refuse to let indecisiveness hold you back. Mistakes are lessons that help you gain insight into new possibilities. Don't limit what you can do by standing in your own way. Put your energy into pursuing your happiness. Self-improvement and romance are favored. ★★

SCORPIO (Oct. 23-Nov. 21): Build your own networking group. Be a host, make suggestions and become the go-to person. You'll gain confidence and a chance to call the shots. Being candid will change how others perceive you and help you weed out those who are to your detriment. Keep your life simple, be direct and watch your plans manifest into something worthwhile. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Stick close to home and decide what's required of you to up your game and to get ahead. Stop wasting time and energy on people and projects that don't fulfill your needs. Look for what excites you, and refuse to let anyone use emotional blackmail to intervene and push you in a direction that helps them more than you. ★★

CAPRICORN (Dec. 22-Jan. 19): Consider your plans, and rethink what's important to you. It's time to sever your ties with those who are heading in a different direction. Invest in yourself and the prospects that excite you, and let go of the past. Stop worrying about what you cannot change, and focus on what will serve you financially, contractually, emotionally and physically. ★★

AQUARIUS (Jan. 20-Feb. 18): It's all about what you want to pursue. Think big, but don't lose sight of what makes you tick and brings you joy. Mixing business with pleasure will encourage new beginnings. Don't hold back. Display what you do best, and you'll gain ground. A financial gain will stabilize your life and give you the confidence to pursue your dream. ★★

PISCES (Feb. 19-March 20): Feel it, pursue it and find your way forward. Refuse to let the changes others make lead you down the wrong path. Put your energy into what brings you the highest return. Speak up and say no to those trying to take advantage of you. It's time to put yourself first and to pursue what satisfies your soul. ★★
