

# HOROSCOPE by EUGENIA LAST

## Wednesday December 17th, 2025

**CELEBRITIES BORN ON THIS DAY:** Milla Jovovich, 50; Bill Pullman, 72; Eugene Levy, 79; Ernie Hudson, 80.

**Happy Birthday:** Turn your energy into something spectacular this year. Let creativity take over and inspire you to update and manipulate your surroundings and lifestyle to embrace what you love doing with those you find most exhilarating. It's up to you to make life choices that push you to seize the moment and to take advantage of every opportunity that comes your way. Take the path that leads to victory. Your numbers are 7, 12, 20, 28, 31, 33, 42.

**ARIES** (March 21-April 19): Choose what you wish to participate in and tally up how much it will cost. Taking care of the expenses that come with the festive season and events in advance will reduce stress and encourage you to relax and enjoy yourself. Travel will require extra time and proper documentation. Romance is in the stars.

★★★★★

**TAURUS** (April 20-May 20): Take care of an offer that requires your attention before the year ends. Be prepared to deal with government agencies, institutions and matters that might affect travel time if you are visiting family and friends this holiday season. Take advantage of an offer you're eligible for. The compensation you receive will have a positive impact on your lifestyle. ★★

**GEMINI** (May 21-June 20): Change can be good if you embrace it wholeheartedly and engage in talks and events that offer a platform to share your thoughts. Exploring possibilities and considering how to make the most of the upcoming year will help change your perspective on what's yet to come. Think big, act on your own behalf and enjoy the ride. ★★

**CANCER** (June 21-July 22): Look at the big picture when dealing with professional matters and prospects. Consider how to utilize your skills and market yourself to fit in a slot that shows professional growth and good timing on your part. Setting yourself up for success will put your mind at ease and money in the bank. ★★

**LEO** (July 23-Aug. 22): Attend events that allow you to show off your skills and expertise. Reconnecting with past associates will open doors to new beginnings. Don't believe everything you hear, but investigate and summarize what's of interest to you. Nothing ventured, nothing gained. Put out feelers and network with others, and an opportunity will present itself. A partnership has potential. ★★★★★

**VIRGO** (Aug. 23-Sept. 22): Distance yourself from drama and those trying to involve you in a situation that doesn't include you. Put your energy into self- and

home-improvement projects that aren't subject to controversy. Do what's necessary to maintain personal and emotional stability. Protect your reputation, and avoid gossiping or sharing information before you verify the facts. ★★

**LIBRA** (Sept. 23-Oct. 22): Communication is in your best interest. Let your charm lead the way while you share your ideas; you'll get a grasp on what others might expect and want from you. A slight change to your plans will help you fine-tune your next move to ensure success. Clear a space at home to house your subsequent pursuit.

★★★★

**SCORPIO** (Oct. 23-Nov. 21): Sit tight, observe and learn. Focus on personal and self-improvement to boost your confidence and prepare for the upcoming festivities. Verify information before you pass it along or make plans based on what you hear. Someone may try to make you look incompetent by pointing you in the wrong direction. Protect your position. ★★

**SAGITTARIUS** (Nov. 22-Dec. 21): Stay on course and stick to the basics, and you'll flawlessly move forward with ease. Knowing your capabilities and executing what you do best is the quickest path forward. Less interaction will work in your favor. Direct your energy accordingly, and don't comply or present your offer until others meet your standards. Trust your intelligence and insight. ★★

**CAPRICORN** (Dec. 22-Jan. 19): You'll gain insight into something you want to pursue. Ask questions and monitor what's said to ensure you get an honest assessment of situations and the possibilities that exist. An event that allows you to learn and connect with people practicing something you want to pursue can lead to unexpected opportunities. ★★★★★

**AQUARIUS** (Jan. 20-Feb. 18): You may not like what's happening around you, but take a moment to digest what's unfolding, and you'll discover something or someone of interest. Don't buy into someone else's dream; invest in yourself, your attributes and your future. A change will take you by surprise and encourage you to push forward with enthusiasm. Romance is favored. ★★

**PISCES** (Feb. 19-March 20): Believe what you see, verify what you hear and pursue what excites you. Participate in events that broaden your perspective and encourage you to learn something new. Associating with cutting-edge people and pursuits will help you understand the dynamics of keeping up and getting ahead. Trust your instincts and forge ahead. ★★★★★
