

# HOROSCOPE by EUGENIA LAST

## Sunday October 12th, 2025

**CELEBRITIES BORN ON THIS DAY:** Josh Hutcherson, 33; Tyler Blackburn, 39; Bode Miller, 48; Hugh Jackman, 57.

**Happy Birthday:** Motivation is the key this year. If you lose interest, you may be heading down the wrong path. Question your desire and need before signing up for something. Choose your direction because you feel passionate about it, not because someone wants you to tag along on their journey. Trust your instincts, and forge ahead with a smile, a plan and a purpose. Life is short; make every moment count. Your numbers are 8, 14, 23, 28, 35, 38, 44.

**ARIES** (March 21-April 19): Be honest with yourself. It's easy to conjure up scenarios that can lead to emotional mayhem. Plant your feet on the ground, look at the facts and channel your energy toward personal growth, self-improvement and positive interactions with those you encounter today. A creative project or spending time with someone close to you is encouraged. ★★

**TAURUS** (April 20-May 20): Make room to accommodate something or someone that matters to you. A kind gesture will help build strong ties. Home improvements or hosting an event will put you in the spotlight. Take any opportunity you get to include loved ones in both your plans and the rewards that follow. Love and romance are favored. ★★★★★

**GEMINI** (May 21-June 20): You'll engage everyone around you with your effervescent personality, constant change and diverse way of dealing with people and situations. The people you encounter will offer a unique perspective regarding life choices, prompting you to try something new. Reach out to someone from your past and catch up. The opportunities that transpire will please you. ★★★

**CANCER** (June 21-July 22): Flexibility will lead to new possibilities. Your unique input and thoughtfulness will prompt those you encounter to contribute interesting alternatives. Your emotions will rise to the surface, encouraging you to express your thoughts and feelings to someone you feel drawn to. Don't hesitate to commit if you feel strongly about someone or something. ★★★★★

**LEO** (July 23-Aug. 22): An open mind will help you understand the reactions of others. Be less critical and more observant, and you'll find a way to put the past behind you and embrace life with a positive perspective. Charm and positive affirmation will help you navigate your way past any obstacles in your path. ★★★★★

**VIRGO** (Aug. 23-Sept. 22): Participate in something that resonates with you, and you'll make connections with people who share your beliefs and fortify the

lifestyle you choose to live. Move forward with an open heart and mind and share what you have to offer, and something positive will develop. Love and romance are in the stars. ★★★★★

**LIBRA** (Sept. 23-Oct. 22): It's your choice; follow your heart and satisfy your soul. Discovery is yours to pursue; participate in something that moves and motivates you to become the best version of yourself. Strive for perfection, and engage in what's real, tangible and within your budget. Walk away from drama and indulgent behavior. ★★

**SCORPIO** (Oct. 23-Nov. 21): Speak up; share your thoughts, emotions and intentions with someone special. Volunteer your time, talent and tenacity to an organization that you believe in, and you'll make an impression on someone who has something to offer in return. Put your strengths on display, and don't hesitate to lead the way. A partnership shows promise. ★★★★★

**SAGITTARIUS** (Nov. 22-Dec. 21): Don't count on anyone but yourself. If you want to change, it's up to you to put your goals into practice. Don't limit what you can do because someone doesn't agree or wants to join you. Trust your instincts, and turn your desire into a lucrative affair. Let your actions be your voice. ★★★★★

**CAPRICORN** (Dec. 22-Jan. 19): Refuse to let what others do or say mislead you. It's up to you to manifest opportunities and complete missions that can effectively showcase what you have to offer. Stick to facts, your budget and keeping things simple. Sharing your plans with someone you love will enhance your relationship and promote success. ★★★★★

**AQUARIUS** (Jan. 20-Feb. 18): Put your energy where your passion lies. Exhaust your creative imagination, and you'll come up with a plan that surpasses your expectations. Connect with people who appreciate what you do and can help further your interests. The input will encourage you to rearrange your surroundings to suit the changes you choose to encompass. ★★★★★

**PISCES** (Feb. 19-March 20): You'll need an outlet for your thoughts. Attend an event that promotes a platform and offers conversations that can transform how you move forward. An interesting partnership will develop with someone who ticks all the boxes on your must-have list. A little flirting will go a long way and encourage long-term effects. ★★★★★
