action to clear a passage forward for those who share your beliefs. Peace begins with discipline, dedication and diversity. Be part of the solution, not the problem, and something good will come your way. ★★★

LIBRA (Sept. 23-Oct. 22): Stop and rethink your plans. Too much of anything will work against you. Overspending, making unrealistic promises or letting your emotions lead the way are best avoided. SAGITTARIUS (Nov. 22-Dec. 21): Keep an open mind, but don't cave under undue pressure. Listen dutifully, but be ready to defend your thoughts, perspective and choices. Be a leader, not a follower, and you will gain respect and a position at a table that offers something worthwhile. Focus on gathering information and formulating a plan. Honesty is the best policy. ★★★

CAPRICORN (Dec. 22-Jan. 19): Put your energy where it brings the highest returns. Today is about acknowledging your attributes and putting them to work for you. Change is up to you; don't sell yourself short. An opportunity to partner with someone or to follow your instincts will pay off. Refuse to let laziness, outside interference or emotional negativity ruin your plans. ★★★

Good things are within reach. ★★★

PISCES (Feb. 19-March 20): Think twice before you jeopardize your chance to advance. Limit your words, actions and indulgent behavior at functions that mix business with pleasure. Personal and professional gain begins with a positive attitude, insight and knowing how to work a crowd. Put your energy and discipline into self-improvement, not trying to change others.
