

HOROSCOPE by EUGENIA LAST

Monday March 2nd, 2026

CELEBRITIES BORN ON THIS DAY: Bryce Dallas Howard, 45; Method Man, 55; Daniel Craig, 58; Jon Bon Jovi, 64.

Happy Birthday: Enjoy life. Refuse to let anyone pressure you to make a hasty decision. Your emotional well-being is dependent on how safe and secure you feel. Explore the possibilities, and wait for the right moment to engage in something new or to shake up your schedule or routine to suit your needs. Socializing, lifestyle changes and embracing what brings you comfort and joy are in the stars. Your numbers are 5, 16, 22, 29, 34, 41, 45.

ARIES (March 21-April 19): High energy, reaching out to those in a position to help and establishing how you want to move forward will help point you in the right direction. Keep an eye on domestic expenditures. Don't go over budget or let anyone talk you into doing or purchasing something you don't need. Focus on personal development, growth and gain. ★★

TAURUS (April 20-May 20): Take time to engage in something that interests you. The people you meet and the information you receive will require you to evaluate and think before you act. Impulse is the enemy today, so do your due diligence before you commit to something you don't need or cannot afford. Engage in an activity that encourages you to relax. ★★★★★

GEMINI (May 21-June 20): Take a moment to reevaluate your life, purpose, direction and desire. It's time to consider what makes you happy and to let go of what isn't working for you anymore. Put your energy into research, finding your niche and ending old conditions to make room for something new and exciting. Change begins with you. ★★

CANCER (June 21-July 22): Disregard what isn't proven, and head in a direction that is clear-cut and doable and offers plenty of room for growth. Explore the possibilities; expand your interests, knowledge and expectations, and make good use of what you already have in place. Stop dreaming, and start acting on your behalf. Step up and share your expertise, and opportunity will follow. ★★★★★

LEO (July 23-Aug. 22): Change will serve you well. Consider establishing partnerships, volunteering your time and skills, or pursuing knowledge. Keeping up with the latest technology, information and guidelines will keep you moving forward without interference or setbacks. Take the step that offers a unique objective regarding your path forward. Momentum is crucial if you want to reach your target first. ★★

VIRGO (Aug. 23-Sept. 22): Don't second-guess yourself. You are sitting in an opportune position. Listen

to your gut, resurrect old ideas and concepts, and update them to apply to current situations, and you'll find your way forward. Partnerships, financial gains and the pursuit of knowledge and skills will pay off. Participate in events that offer insight into what's trending. ★★

LIBRA (Sept. 23-Oct. 22): Take a moment to gather your thoughts and to work out a budget and timeline that is doable. Discipline, along with a unique plan and a high-energy approach, will get you where you want to go. Spend more time working from home, where you'll have fewer distractions. A Zoom meeting will have a positive outcome. ★★

SCORPIO (Oct. 23-Nov. 21): Embrace the changes that stimulate your mind and encourage you to look, dress and speak in sync with what you are trying to achieve. A positive attitude will help you influence those you hope to entice to see things your way. You have plenty to gain personally and professionally if you are forward-thinking. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Spend more time on detail and less trying to sway others to think like you. It's what you do and how you present yourself and your ideas that will draw a crowd. Figure out a way to be entertaining and engaging when introducing yourself and your pursuits. High energy, enthusiasm and confidence are your tickets forward. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Stick to the facts. Inflating information will hurt your reputation and leave you vulnerable. Speak from the heart, back up your claims and fund your goals. Standing tall and executing your plans like a pro will interest others in becoming donors. Trust in your skills, charm and expertise to see matters through to the end. ★★

AQUARIUS (Jan. 20-Feb. 18): A domestic change will be refreshing. You may not relish the time, energy and work it takes, but the results will be in your best interest. Don't be afraid to be different or to go up against someone who opposes you. Trust and believe in yourself, and find the path that offers comfort and joy. ★★

PISCES (Feb. 19-March 20): Expand your interests, discuss your intentions and focus on completion. How you manage your time, money and relationships will determine your progress. Keeping everyone you deal with up to date will help you gain momentum and avoid interference. The time you spend on how you look and how you present yourself to others will pay off and boost your ego. ★★
