

HOROSCOPE by EUGENIA LAST

Tuesday August 25th, 2026

CELEBRITIES BORN ON THIS DAY: Blake Lively, 39; Billy Ray Cyrus, 65; Tim Burton, 68; Elvis Costello, 72.

Happy Birthday: Consider change, but don't take a leap of faith without reservations and research. It's how you measure time and what's important to you that will matter most. Speak your truth. Live the life that brings you joy, and set standards and boundaries that protect you from those who interfere with your emotional and spiritual well-being. Life lessons are there to protect you. Live, learn and love yourself. Your numbers are 2, 15, 22, 26, 34, 43, 49.

ARIES (March 21-April 19): Concentrate on your relationships with others. Participate in events or projects that resolve issues that concern you. Expand your interests, circle of friends and desire to look, feel and do your best. If you challenge yourself, it will lead to positive change and earning potential. Happiness is following your dreams, maintaining your standards and feeling proud of what you accomplish. ★★★★★

TAURUS (April 20-May 20): Taking on too much and overreacting will cost you. Source out information before you make a move. Listen carefully, but refrain from divulging your thoughts or plans. Time is on your side, and planning is crucial. Being a spectator will lead to more options. Having discipline will curb temptation and help you gain respect. ★★

GEMINI (May 21-June 20): Take time to rearrange your space to suit your needs. If you start something new without proper preparation, you'll end up wasting valuable time. By learning from experience, you'll fulfill an emotional need. Being open and honest and following through with your promises will help command the attention, support and help necessary to gain momentum and to reach your goal. ★★★★★

CANCER (June 21-July 22): Be honest with yourself before you start making changes that are detrimental to your reputation, work or concerns. Invest more time and money in your future and better health. How you live, the eating habits you adopt and the energy you put into looking and feeling good will determine how well you do. Don't be a follower; lead the way. ★★★★★

LEO (July 23-Aug. 22): Share your thoughts with the ones you love. The tone you set will have an impact. Positive change begins with a positive attitude and the willingness to compromise when necessary. Share the limelight, and be the one to lift others up. Personal and physical improvements will lead to self-love and better relationships with others. ★★★★★

VIRGO (Aug. 23-Sept. 22): Stretch your mind. Engage

in activities that make you think, and adopt a routine or lifestyle that encourages you to save, pay attention to detail and take better care of your health. Focus on the things and the people who make you feel good about yourself.

An attitude filled with gratitude will serve you well. ★★★

LIBRA (Sept. 23-Oct. 22): A commitment to yourself or someone close to you will pay off. Denying something or trying to avoid situations will set you back. Don't run and hide when you should embrace, deal with and correct anything that's run amok. It's up to you to orchestrate possibilities and to follow through. A lifestyle change will enhance your existence. ★★★★★

SCORPIO (Oct. 23-Nov. 21): Distance yourself from situations you cannot change. Set your course on a learning expedition that can help you enhance your earning capacity, but don't overpay for something you don't need. Honing skills through practice and displaying what you accomplish will set you apart from any competition you encounter. Work toward your goals in secrecy to take everyone by surprise. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Refrain from sharing too much information. Someone will be eager to use your news against you if given the opportunity. Focus on home, and make your place one of comfort. Use your imagination to find a way to stay within your budget and achieve your goals. An opportunity to improve your profits looks promising. ★★★★★

CAPRICORN (Dec. 22-Jan. 19): Dig in and get your paperwork in order. What you discover will save you money and put your mind at ease. Refuse to let an outsider tell you what to do. Call the shots and reap the rewards. Protect against crooks and pressure tactics that you encounter. Don't share personal information or let anyone goad you into a fight. ★★★★★

AQUARIUS (Jan. 20-Feb. 18): Choose kind gestures and a positive attitude. The people you encounter will impact your life and encourage you to follow your heart and to strive for the goals you want to achieve. Change begins with you, so follow through and make things happen. If you use your creative imagination, you'll discover a way to increase your earning potential. ★★★★★

PISCES (Feb. 19-March 20): You'll be drawn into conversations that cause confusion. Trust your instincts over what others propose. Being true to yourself will lead to activities and people who enrich your life. Now is not the time to be a follower or to take on someone else's purpose. Find your own way and follow through, and you'll feel good about yourself. ★★★★★
