CELEBRITIES BORN ON THIS DAY: Torrey DeVitto, 42; Maria Menounos, 48; Julianna Margulies, 60; Keenen Ivory Wayans, 68.

Happy Birthday: Keep life simple by silencing the chaos around you. Dance to the beat of your own drum, and designate yourself as an observer and peacekeeper. Change begins with you; what you want is dependent on knowledge and experience. Forfeit what you no longer need to those who do need it. Actions speak louder than words, and practice makes perfect. Your numbers are 4, 17, 23, 29, 31, 35, 46.

ARIES (March 21-April 19): Honesty, integrity and discipline will help you avoid conflict and interference. Go about your business, do the best job possible and have a positive attitude. Let go of what you cannot control, and put more credence into performance. Helping others will turn you into the poster child for whatever group you decide to join. Domestic uncertainty requires patience.

★★★
