

HOROSCOPE by EUGENIA LAST

Thursday September 10th, 2026

CELEBRITIES BORN ON THIS DAY: Ryan Phillippe, 52; Colin Firth, 66; Amy Irving, 73; Joe Perry, 76.

Happy Birthday: Decide what it is you want and need before you take flight. A change at the wrong moment in time can set you back or damage your reputation. If something is a struggle or causing emotional turmoil, step back and wait. Recycle what you can, and donate what you can't use. Decluttering your life will give you the freedom to discover what's possible. Timing is crucial. Your numbers are 8, 13, 24, 31, 38, 42, 46.

ARIES (March 21-April 19): Trust your instincts, not your anger. Hit the reset button and rethink what's best for you. Choose practicality over aggression and finishing what you start. It's up to you to orchestrate what happens next instead of letting others choose for you. Decompress, declutter and decide what's next. Having discipline, foresight and imagination will lead to constructive results. ★★

TAURUS (April 20-May 20): Put more thought into what you want to do and with whom. Making wise decisions will encourage better relationships with like-minded associates that could lead to financial growth. Walk away from those tempting you to overspend or indulge in lavish forms of entertainment. Put more energy into the ventures that make you feel good about yourself and the contributions you make. ★★

GEMINI (May 21-June 20): Engage in events that offer insight into something you want to pursue. What you discover will help you connect to someone who can help you reach your goal. Keep an open mind and be a good listener, and you'll find a way to fine-tune your plans to fit your budget. Discipline and practicality are in your best interest. ★★

CANCER (June 21-July 22): Having a disciplined attitude will help you deter others from taking advantage of you. Say no to anyone asking for too much. Point your energy and focus in a direction that benefits you. Home improvements that offer a comfortable atmosphere and make your life easier will help you relax. Pay better attention to your needs. ★★

LEO (July 23-Aug. 22): Gather information and see how you can apply it to the changes you want to make. Learning something new will spark your imagination and encourage you to dig deeper into the prospects that excite you most. Don't be too quick to dismiss rules and regulations. Take care of business before trying to reap the rewards. ★★

VIRGO (Aug. 23-Sept. 22): Do what you say, and say what you do. Refuse to let anyone label you as a talker, not a producer. Pay attention to what's trending, and try

to stay one step ahead of anyone who challenges you. Refuse to lose sight of what you do best or let your ego or anger take over. Strive for completion. ★★

LIBRA (Sept. 23-Oct. 22): Make the most of change instead of letting it get you down. Turn a negative into a positive, and show all onlookers what you can do. Refuse to let anyone interfere. Take center stage and be vocal regarding your intentions. Giving a clear-cut message will help you deal with anyone who wants to compete with you. ★★

SCORPIO (Oct. 23-Nov. 21): Learn from experience. Don't just read and listen; get physical. A change regarding lifestyle, investments and medical issues will pique your interest and encourage you to investigate your options. Attending a workshop or retreat will fuel your curiosity and lead to unique relationships and pastimes. ★★

SAGITTARIUS (Nov. 22-Dec. 21): Put emotions aside and channel your energy into making a difference and taking care of your financial needs. Sell off what you don't need and rid yourself of debt, expenses and subscriptions that are causing stress. A positive change to your financial mindset will help you let go of trying to impress others. Focus on self-preservation. ★★

CAPRICORN (Dec. 22-Jan. 19): Put more thought into what you want to explore. Reading, learning and using your skills in a unique manner will offer opportunities to improve your earning potential. Attending a trade show will be eye-opening and contribute to how you present and promote yourself and your talents. Make a concerted effort to let go of the past. New beginnings look promising. ★★

AQUARIUS (Jan. 20-Feb. 18): Put more energy toward making money, updating documents and contracts that have expiration dates, and creating new opportunities for yourself. Join forces with people who share your likes and dislikes, and make changes to your surroundings that lift your spirits and coax you to stop dreaming and start doing. Don't wait for things to come to you. ★★

PISCES (Feb. 19-March 20): Explore what's available, and sign up for events or classes of interest. How you spend your time will determine what's next for you. Attend what interests you, and volunteer your expertise. Any chance you get to make a difference or contribute to a cause will be uplifting and lead to new friendships. Romance is in the stars. ★★
