

# HOROSCOPE by EUGENIA LAST

**Tuesday June 16th, 2026**

**CELEBRITIES BORN ON THIS DAY:** Abby Elliott, 39; Eddie Cibrian, 53; Phil Mickelson, 56; Laurie Metcalf, 71.

**Happy Birthday:** Strive to make a difference in your life this year. Put your energy into going through the proper channels to bring about the changes you want to make. Preparation is essential if you want things to run smoothly. You're close to getting what you want, but first, you must put everything in place. Leave nothing to chance or up to someone else. Your success will come from patience, discipline and truth. Your numbers are 8, 19, 25, 27, 36, 43, 47.

**ARIES** (March 21-April 19): Think before you speak. Focus on doing what's right and helping those in need. How you spend your time will determine how your day will unfold. Refuse to let anger take over when what you achieve will have a powerful impact on those who oppose you. Take the high road, do your best and let situations unfold naturally. ★★

**TAURUS** (April 20-May 20): Protect your heart and your home. If you look at the big picture, you'll discover you have more options than you realize. Opportunity will unfold through talks, kind gestures and not letting stubbornness get in the way of doing what's right. Reach out to experts, and you'll discover options you didn't know existed. Be smart, articulate and fair. ★★★★★

**GEMINI** (May 21-June 20): Change requires gathering information, upgrading your qualifications and growing in a direction that you find inviting. A new look that makes you feel good about yourself will encourage you to go the distance and not settle for anything less than what you want. A unique suggestion you receive will help you market yourself for success. ★★

**CANCER** (June 21-July 22): Put more energy into your thoughts and heart-to-heart talks. Sticking to the truth and making your intentions very clear will be necessary when dealing with people who want something from you or those trying to change you. You'll gain the most from pursuing skills and opportunities that improve your earning potential or help you make wise investments. ★★

**LEO** (July 23-Aug. 22): It's time to pay attention to how you look and feel. Take command of your future by engaging in events that connect you to an industry or group you'd like to participate in more. It's up to you to reach out, ask questions and determine what's in your best interest. Marketing what you can do will attract someone unique. ★★

**VIRGO** (Aug. 23-Sept. 22): Contemplate your options and where your time, money and attributes can be put to optimum use, and head in that direction. A lively approach

to helping others and to making the most with what you've got will be inspirational and send a strong message to others to pitch in and help. Be a leader and set high standards.

★★★★

**LIBRA** (Sept. 23-Oct. 22): Flying under the radar will allow you to reach your goal without interference. Distance yourself from people who are overreacting. Discipline and ingenuity are your superpowers when you dedicate your time and attention to finishing what you start. A physical change you make will fetch compliments and enhance your ability to get things done. ★★

**SCORPIO** (Oct. 23-Nov. 21): An open mind will lead to valuable information. Pay attention, stay intent on doing things right the first time and choose your words carefully and your battles wisely. Observation is your ticket to making better decisions. Physical fitness and a healthy, passionate attitude will encourage better relationships and opportunities. Networking and negotiating are favored.

★★★★★

**SAGITTARIUS** (Nov. 22-Dec. 21): Analyze your status, and put an end to what's holding you back. Walk away from drama and those using emotional blackmail to take advantage of you. Limit spending, and implement discipline in your daily routine. Choose to assess yourself and to make positive personal changes instead of criticizing others. Choose personal gain over revenge. ★★

**CAPRICORN** (Dec. 22-Jan. 19): Look for an opportunity and turn it into a reality. Take the initiative and let your intelligence lead the way. Demonstrating how much you care and revealing what you are willing to do will help you win favors and the respect of those you respect most. Truth and honesty will carry your wants and needs to fruition.

★★★

**AQUARIUS** (Jan. 20-Feb. 18): Push forward with enthusiasm. A change you make at home or to your lifestyle will enhance your creative imagination and help you find your way to a better place or position. It's time to connect with new people and interest groups. Put your energy into being the best version of yourself. A makeover will lift your spirits. ★★

**PISCES** (Feb. 19-March 20): Doing something entertaining or creative will improve your view of what's happening around you. Choose to speak your mind and to do your part when working with others. Be a leader, and others will help you target your objective. Explore the possibilities, and consider how to use your attributes to your advantage. ★★★★★
