

# HOROSCOPE by EUGENIA LAST

**Sunday March 1st, 2026**

**CELEBRITIES BORN ON THIS DAY:** Justin Bieber, 32; Keshha, 39; Lupita Nyong'o, 43; Ron Howard, 72.

**Happy Birthday:** You'll have plenty of opportunities to mull over this year, but don't take too long considering your options. Soul searching will help you decipher if you are making choices for yourself or appeasing others. Focus on what stimulates your mind and promises personal growth and happiness. It's up to you to develop a routine, a lifestyle and a plan that lead to contentment. Put yourself first. Your numbers are 1, 14, 23, 27, 32, 40, 44.

**ARIES** (March 21-April 19): Let your imagination and ingenuity take over, and your creativity and discipline help you complete your mission. Chat with people you find inspiring, and it will enhance your vision and encourage you to up your game. Fixing up your personal space to promote greater productivity will pay off. Don't reveal secrets or let your ego cost you. ★★★★★

**TAURUS** (April 20-May 20): You may want to address how and when to let go of what no longer benefits you. Shedding negativity or whatever weighs you down or holds you back will exhilarate you once you start. It's a new month and a time to fast-forward toward what completes you. Trust your instincts and put your plans in motion with discretion. ★★

**GEMINI** (May 21-June 20): Be open regarding money, joint ventures and shared expenses. Make sure you go through the proper channels and follow the required documentation to protect against loss. Focus on keeping your promises and taking care of your personal business. Research, learn and advocate on your own behalf to avoid being taken advantage of. Protect against illness or injury. ★★★★★

**CANCER** (June 21-July 22): Use intelligence, charm and wit to win favors. A colorful approach to promoting and presenting your capabilities will grab attention. Refuse to miss out on something good due to stubbornness. Listen, and you'll find a path forward that suits your needs and keeps you in the spotlight. Personal gain is apparent, and romance is in the stars. ★★

**LEO** (July 23-Aug. 22): Control your emotions. An unnecessary change will leave you vulnerable. Keep an eye on what's happening, but don't fuel the fire or let anger lead to financial loss or physical risk. Focus, get ready to learn as you go and give your all. Discipline and hard work are your tickets to the future. ★★

**VIRGO** (Aug. 23-Sept. 22): Put your head down, and finish what you start. Your reputation depends on your work ethic and ability to handle situations without

troubling others. Stay focused, read the room and do your part, and something good will transpire. A personal pick-me-up will be uplifting and attract the attention of someone you look up to. ★★

**LIBRA** (Sept. 23-Oct. 22): Take time to spruce up your surroundings. The upgrades you make will encourage you to host more get-togethers or to start a new hobby. Keep your thoughts and emotions to yourself until you gather all the information necessary to make better choices. Broaden your opportunities by redirecting your skills, qualifications and interests toward what you enjoy doing most. ★★★★★

**SCORPIO** (Oct. 23-Nov. 21): Too many choices will confuse you. Take the path that allows you to be most congenial. Arguing will serve no purpose, but doing your part to make your life and the lives of those you care about better will. Be open to suggestions and willing to learn, and express your desires with truth and hope for a better future. ★★

**SAGITTARIUS** (Nov. 22-Dec. 21): Concentrate on personal strength, fitness, a healthy diet and being the best you can be. Refuse to let what others say or do put you in a funk that deflates your desire to look, feel and do what matters most to you. Pay attention to money matters, and go through the proper channels to reach your objective. ★★★★★

**CAPRICORN** (Dec. 22-Jan. 19): Denial won't get you where you want to go. Face situations head-on, and use your insight, experience and wherewithal to bring about positive change before it's too late. Let your actions pave the way and set the standard moving forward. Be the one to implement change, and you can benefit from taking the necessary measures to make things happen. ★★

**AQUARIUS** (Jan. 20-Feb. 18): Keep close tabs on your finances and career options. Timing is everything, and being aware of what's possible is crucial if you want to get ahead. Take any opportunity that comes your way to mingle with those who can offer advice or support that furthers your interests. Channel your energy wisely. Choose positivity over negativity. ★★

**PISCES** (Feb. 19-March 20): Clarify your objective to anyone whose choices you may impact. The input you receive will help you adjust and avoid roadblocks on your journey. Gaining support will allow you to flourish. Don't hide from controversy; face it head-on, and you'll gain the freedom to carry on without feeling guilty. Be true to yourself, your beliefs and your passion. ★★
