

Shane,

I'm getting a lot of conflicting information regarding the Vander Kamp Deschutes County Sherriff's Office (DCSO) investigation. My questions are as follows:

1. Has the Vander Kamp investigation concluded?
2. If so, is it true that Vander Kamp has been exonerated of any wrongdoing?
3. Why hasn't DCSO set the record straight on where it is at on this said investigation?
4. If Vander Kamp is found of wrongdoing, could this disqualify him from holding the office of Deschutes County Sherriff?

Voters of Deschutes County deserve the truth directly from DCSO on the current situation regarding the standing of its employees, especially ones that are potentially going to be elected sheriff.

Sincerely,
