

Dear Sheriff Nelson,

I am a voter in Redmond. There is conflicting info in the media and from Kent Vander Kamp's supporters regarding La Mesa PD and the ongoing investigation.

1. Has the Vander Kamp investigation concluded?
2. If so, is it true that Vander Kamp has been exonerated of any wrongdoing?
3. Why hasn't DCSO set the record straight on where it is at on this said investigation?
4. If Vander Kamp is found of wrongdoing, could this disqualify him from holding the office of Deschutes County Sheriff?

Thank you for your timely response,
