PETTY FEVER 8:30PM

PETTY FEVER is a Multi-Award Winning full production tribute to TOM PETTY & The Heartbreakers, featuring the captivating Guitarist/Vocalist and Hollywood FAME Award Winner, FRANK MURRAY.

Chest Fever 7PM

The stories, legend and community of The Band live on through the passion and magic of Chest Fever, newly embodied in the live performance and burning energy they bring to every stage.

Officially approved by Robbie Robertson, Chest Fever is comprised of keyboardist Jody Bagley, guitarist Dan Cervantes, and bassist Blake Dean of the San Diego Music Award winning rock band Mrs. Henry, rounded out with organist/saxophonist Ben Pinnola, and drummer Allan Ritter.

"We set out from the get-go to interpret these songs rather than recreate or pay tribute" explains Bagley. Dean continues, "Like Leonard Bernstein, the goal is to bring to life compositions from one of the great catalogs in the history of music. We like to say at every show: "We are a band playing the Band's music." Our band is Mrs. Henry, performing as Chest Fever. It's like Bruce Wayne by day and Batman by night."

Rubbah Tree 5:30PM

We are a central Oregon based reggae rock band with psychedelic influence. Our message is to spread the love and vibrations of reggae music through inspiration that our forests and mountains bring to us. We are cascade reggae music. We have shared the stage with over 100 different artists and will continue to grow and bring our loving fans the vibrations that resonate.

DJ VISITR & DJ RYMES

FRIDAY + SATURDAY 5 - 9:30PM
(SPARKS STAGE)

Our DJ's are Portland based artists: Rymes & Visitr. Our DJ's will send you on a journey through genres and cultures, mixing epic melodies that bridge the worlds of dreamy house, lo-fi vibes, hip hop hooks, and indie influences into a captivating blur on the dance floor.

SATURDAY, FEBRUARY 15

AFROMAN 8:30pm

The Hungry Hustlin' American Dream Afroman is still livin' it up in 2025. With new music in the works set to release this year, The Hungry Hustlin' American Dream is more popular than ever.

The Bandulus 7PM

Fans of Jamaican music won't want to miss The Bandulus' fusion of ska, reggae, and soul with a touch of rocksteady and R&B influences. Their unique sound is rooted in the classic Jamaican sounds of the 1960's and 1970's while infusing it with their own modern twist. Patois for bandit, thief, or scammer, The Bandulus will steal your heart and always keep you smiling.

Rusty Frets 5:30PM

The Rusty Frets are a brand new Reggae band out of the PNW. Formed in spring of 2023, they released their first two singles "Tide Keeps Rising," and "No One." They have opened up for national touring artist, Kyle Smith and were featured on the HomeGrown Music Festival! Most recently, The Rusty Frets released a single "Swervy" featuring the legendary G.Love from G.Love and Special Sauce. Their dynamic and high energy live sets are highly entertaining.

The Singalong Bros 4:30PM

The Singalong Brothers, a band composed of middle-aged friends who turned their shared passion for music into a community phenomenon, brings local star power to every show. Among them are Randy Vance—President of Boss Mortgage and Winterfest's title sponsor, and Scott Elnes—Good Morning Central Oregon's co-anchor. Known for their fun and family-friendly vibe, they perform popular singalong songs with on-screen lyrics, encouraging everyone to join in. This high-energy group is "much more fun than karaoke," inspiring audiences of all ages to sing their favorite tunes together. Their community-driven spirit extends to charitable collaborations, uplifting neighborhoods wherever they perform. Whether headlining festivals or hosting backyard block parties, The Singalong Brothers guarantee a heartwarming experience filled with music, laughter, and unforgettable memories.

ICE CARVING

PRESENTED BY SIMPLICITY
BY HAYDEN HOMES

Lisa Donze + John Donze

Lisa Donze started out sand sculpting through Sand in the City as her talent grew, she began to have opportunities to add snow, ice and pumpkins to her repertoire. When she's not carving, Lisa spends her time enjoying family and running an insurance agency.

Jacob Lucas

Meet Jacob Lucas, a talented artist and resident of Bonney Lake, Washington. With seven years of carving experience under his belt, Jacob has become a true master of his craft. But his artistic journey began long before that - he's been drawing since the tender age of 5 and has worked in a variety of mediums over the years, including sculpting clay, digital design, glass blowing, and of course, chainsaw art.

Today, Jacob carves at home full-time, pouring his heart and soul into each and every piece he creates. He's always taking custom orders and loves nothing more than seeing the joy his art brings to people's faces. Whether it's a stunning sculpture or a one-of-a-kind carving, Jacob's work is sure to leave a lasting impression.

Russ Leno

Russ Leno has sculpted everything from ice, snow, wood and pumpkins for over 30 years and is regular at WinterFest. He's carved in two international competitions and many others throughout Canada, Oregon and Washington.

Wade Lapp

Wade Lapp, a skilled artisan, discovered his passion for carving pumpkins 12 years ago. He was inspired by Ray Villafane's work and decided to try his hand at it. From that moment on, Lapp was hooked and has since explored various mediums. Pumpkin carving opened up many doors for Lapp, allowing him to branch out into sand sculpting as a solo artist and as a member of the sand sculpting team, Team Mai Tia. Along with his wife, Brittany Lapp, he has won numerous competitions and created many exhibition sculptures. In 2021, Lapp jumped into a new medium, ice, at the World Ice Art Championship in Fairbanks, Alaska, where he and his team took second place. Lapp created several magical sculptures that are now displayed throughout the park. In recent years, Lapp has also taken up wood carving, creating many custom pieces for individuals and collaborating with St Helens, Oregon's Spirit of Halloweentown to create magical wood pieces displayed in exhibits throughout town and on St Helens' Sand Island.

FIRE ART

Tim + Celeste McGowan

Tim and Celeste McGowan is the team behind Iron Roots Design, an interior design and fabrication company in Bend. Iron Roots specialize in custom indoor and outdoor features, utilizing their knowledge of mixed mediums in their designs.

Jay Nielson

Jay Nielson's work is impromptu, spur of the moment, inspiration driven art. He uses whatever materials are available to create something from nothing. He works in scrap and reclaimed materials to prove that beauty can come from garbage.

Ron Moore

Led by US Navy Veteran Ron Moore, SF Metalworks can assist you with turning your initial sketches and brainstorming into a reality. At SF Metalworks, we specialize in the design evolution, fabrication, installation, and finish of bespoke metalwork, showcasing our craftsmanship in each project.
